2023 USBC SENIOR CHAMPIONSHIPS

AUG. 1-4 | THE ASHWAUBENON BOWLING ALLEY
GREEN BAY, WIS.

The 2022 USBC Open Championships was a striking affair for the more than 46,000 competitors who traveled to Las Vegas and the South Point Bowling Plaza, and the tournament's leaderboard featured several record performances across the 129-day event.

Although the scoring pace at the 60-lane venue may have been a little higher than previous trips to South Point, the 32 Eagle winners in 2022 still experienced the same type of excitement, nerves and anticipation to see whether they had done enough to join the tournament's storied record book.

The 118th edition of the Open Championships also saw several competitors add to their own legacy at the event, highlighted by Matt McNeil winning his fifth Eagle.

The members of DiLaura Brothers 1 of Clinton Township, Michigan, experienced the full roller-coaster of emotions during their trip to Las Vegas in 2022.

The team of Jay Lang, John Buffa, Ryan VanHecke, John Kelley and Ronnie Sparks Jr. were one hit away from taking the lead in Regular Team at South Point, but a stubborn 10 pin from Sparks in his final frame left the team in second place with a 3,468 total.

The group quickly refocused its energy on doubles and singles the next day in hopes of taking a run at the record score set in Team All-Events just five days earlier by Mento Produce of Baldwinsville, New York (10,444).

By the time they finished minors, the team not only held the lead and Team All-Events record, but they had set the new mark by 141 pins with a 10,585 total. Over 45 games, the team averaged more than 235 across the two oil patterns used at the 2022 Open Championships.

Sparks, who collected his second Eagle with the win, led the way with a 2,201 total. Lang, who now owns three wins at the Open Championships, was next with 2,167. Kelley (2,099), VanHecke (2,092) and Buffa (2,026) each earned their first Eagle at the tournament.

Sometimes, a big opening game during team competition at the Open Championships means trouble later in the block. The transition may move a little quicker, or the lanes may burn up a little more than planned, forcing teams to scramble to save their strong start.

That wasn't the case for the members of Storm Products Inc. 1 of Alva, Florida. The group, led by Matt McNeil, fired games of 1,203, 1,089 and 1,194 to record the victory in Regular Team with a 3,486 total.

McNeil paced the team with a 746 series and was joined by Jon Rakoski (740), David Langer (703), Justin Veitch (694) and USBC Hall of Famer Ron Mohr (603).

Rakoski, Langer and Veitch each claimed their first Eagle with the team win while Mohr collected his second after a Team All-Events victory in 2001.

McNeil captured his fifth title at the Open Championships and added his name to the short list of players who have five or more wins at the event.

The left-hander was the tournament's first three-time winner in Regular All-Events (2010, 2012 and 2015) and also captured the 2012 Regular Doubles title with Charles Vashaw.

He rolled a record score to win all-events in 2010 (2,326) and was the first player in tournament history to post three 800 sets on the championship lanes.

Brian Waliczek of Frankenmuth, Michigan, has enjoyed his share of team success at the Open Championships, helping Team NABR capture multiple titles and top-10 finishes across the board since the group's debut in 2013.

The five-player contingent once again put up impressive numbers in 2022, finishing second in Team All-Events (10,538) and ninth in Regular Team (3,398), but it was Waliczek who stole the show on his way to winning Regular All-Events with a 2,241 total.

Waliczek's consistency and execution was unmatched at South Point as he posted sets of 750 in doubles, 746 in singles and 745 in team to win the title. His low game during his 2022 appearance was 220, and he fired seven games above 240.

The victory also allowed Waliczek to join his teammate and USBC Hall of Famer Michael Rose Jr. in elite company at the Open Championships by adding their name to the list of bowlers with at least four wins at the event.

Alex George of Wichita, Kansas, cascaded strikes across the scoreboard during his singles set at South Point as he made a run at one of the tournament's most hallowed numbers – 862.

George stepped up in his final frame with the chance to reach the number, but the right-hander left a 4 pin on his first delivery. He covered the spare, rolled his 32nd strike of the set on his fill shot and walked away with the lead in Regular Singles with 848. A couple weeks later, he got the Eagle to go with it.

The set featured games of 290, 279 and 279..

George had recorded the first nine strikes in his final game of singles, so he still needed the first two strikes in the 10th to set the new series mark. USBC Hall of Famer Bo Goergen set the record when he rolled games of 299, 299 and 264 to win Regular Singles at the 2009 Open Championships.

Kyle Damon of Tinley Park, Illinois, and Kyle Krol of Orland Park, Illinois, have been best friends since elementary school, and now they share a spot in the record book together at the Open Championships after claiming the victory in Regular Doubles in 2022 with a 1,522 total.

Krol led the way at South Point with games of 242, 278 and 267 for a 787 series while Damon added 276, 191 and 268 for a 735 set.

Chasing a leading tally of 1,518, Damon delivered a double in the 10th frame, and Krol rolled the first strike in the final frame and got nine on his second shot to secure their position at the top of the leaderboard.

The 2022 Open Championships marked the fifth edition of the event since the introduction of the Standard Division in 2017, and record scores were tallied across the board to mark the occasion.

In Standard Team, the members of JW's All Stars of Wellington, Florida, set two records on the way to winning the title at South Point. The group closed their set with the highest team game in division history (1,143) to post a record series of 3,132. JW's All Stars started its run to the top of the standings with games of 971 and 1,018.

Keith Bradford paced JW's All Stars with a 716 series, which included 290 in the final game. He was joined by Andrew Lawson (643), last-minute substitute Bryan Jones (615), Russell Weltzien (597) and Edwin Jawdy (561).

The top doubles set in the Standard Division belonged to Richard Oakes Jr. of Fresno, California, and Joseph Loper of Cottonwood, Arizona, after their performance at South Point in 2022.

Oakes led the pair with games of 206, 279 and 259 for a 744 set, and Loper added 212, 169 and 237 for a 618 series and 1,362 winning total.

Sky Gettys of Thornville, Ohio, set the mark in Standard Singles with a 763 series.

Gettys fired games of 259, 227 and 277 on the way to an emotional win at the Bowling Plaza.

In Standard All-Events, Dustin Sword of Rittman, Ohio, raised the bar as he collected the victory with a 1,994 total.

Sword started his 2022 appearance with a 702 set in team and continued with 672 in doubles and 620 in singles.

The longest and shortest waits for champions in 2022 came from the Classified Division in Las Vegas.

Ronald Hilliard of Lancaster, California, participated during the first week of the 2022 Open Championships, and he was able to hold on

to the top spot in Classified Singles for the duration of the event with a 665 series.

Hilliard rolled games of 235, 239 and 191 to take the lead on March 16 at South Point. The 2022 event kicked off its 129-day run March 12.

On the other side of the spectrum, the members of Fantastic Five of Corpus Christi, Texas, bowled on the final team squad of the 2022 event and were able to ascend to the top of the standings and collect the win in Classified Team with a 2,909 total.

Led by Landall Long's 671 series, Fantastic Five made its move to the top with games of 998, 930 and 981. Long was joined in the performance by David Sweeting (633), Mark Rivera (552), Mark Rivera Jr. (535) and Barbara Rivera (518).

The top score in Classified Doubles also took place during the last week of the 2022 event as Miguel Sanchez of Oak Park, Illinois, and Joseph Costa Jr. of Chicago took advantage of a strong start to collect the win with a 1,204 total.

Costa led the way with games of 258, 196 and 162 for a 616 series. Sanchez collected his second win at the Open Championships (2011 Classified All-Events) with games of 232, 159 and 197 for a 588 set.

The Classified All-Events title headed to Florida in 2022 as Safety Harbor's Andrew Hall recorded the win with a 1,857 nine-game total.

Hall put together sets of 643 in team, 617 in doubles and 597 in singles on the way to his first win at the Open Championships.

The 2022 Open Championships featured 52 perfect games, 16 299s and 12 800 sets.

Clancy Mueller of St. Charles, Missouri, became the 25th member of the tournament's 100,000-Pin Club during his 61st visit to the Open Championships. He entered the 2022 event needing 845 pins to reach the milestone.

A total of 30 bowlers celebrated their 50th tournament appearance during the 2022 event. There now are more than 300 members of the 50-Year Club at the Open Championships.

As competitors continue to strive toward their participation milestones, hitting 60, 65 and 70 years at the Open Championships truly is an incredible feat. The 2022 event featured bowlers hitting all three numbers at South Point.

60 – Gene Kirkham of Loves Park, Illinois, Michael Schmid of Minneapolis and Bob Martin of San Antonio each made their 60th appearance in 2022.

65 – Robert Teeters of Lapel, Indiana, was the only bowler in 2022 to celebrate 65 years on the championship lanes.

70 – USBC and PBA Hall of Famer Glenn Allison of Corona, California, became the fourth competitor in tournament history to reach 70 years at the Open Championships.

The inaugural USBC Open Championships in 1901 featured 41

teams competing for a \$1,592 prize fund, and it now is known as the world's largest participatory sporting event. Bowlers now compete for a prize fund in the \$5 million range. In 116 years, the tournament has visited 49 cities in 26 states.

The 2022 event marked the tournament's sixth trip to Las Vegas and fourth visit to South Point. It marked the third time the event has been held in the same host city in back-to-back years.

The 2022 USBC Women's Championships featured a ton of excitement and fun as the tournament returned to the Chicagoland area for the first time in more than 85 years. From big scores to participation milestones, the news never stopped rolling in from Stardust Bowl in Addison, Illinois.

Robin Orlikowski of Grand Rapids, Michigan, and Suzanne Morine of Castleton-on-Hudson, New York, helped Bowl 2 Win of Mechanicville, New York, capture the Diamond Team title at the 2021 event in Reno, Nevada, for their first wins at the Women's Championships.

They didn't wait long for their second victory.

The pair worked together to ascend to the top of the leaderboard in Diamond Doubles in 2022, finishing with a 1,448 combined score and a second consecutive victory at the Women's Championships.

Morine led the way at Stardust Bowl, firing games of 248, 267 and 233 for a 748 set, and Orlikowski added 224, 210 and 266 for a 700 series.

Kelsey O'Brien took advantage of the short trip to Stardust Bowl from Frankfort, Illinois, to make her debut at the Women's Championships, and she capped her appearance with the top singles performance at the event in 2022.

After rolling sets of 669 in team and 618 in singles, the strikes started adding up in bunches for O'Brien. She kicked off singles with 265 and finished with 253 and 256 for a 774 series to take over the top spot and win Diamond Singles.

One of the many cool things about an event like the Women's Championships is that you never know when you'll see a winning moment.

Someone can take the lead on the opening squad of the year and anxiously hold on for the entire event. Someone else can make their appearance in the final week (or even final day), know the score they need to beat and get the job done.

In 2022, Chicago's Barbara Peltz made her way to Stardust Bowl and competed during the first two days of the event. She set the pace in Emerald Singles with games of 221, 214 and 225 for a 660 series and held onto the top spot for more than two months to take home the win.

The shortest wait in 2022 belonged to Emerald Team champion D Echo Balliett-Legge Team 1 of Seattle.

The group, comprised of Chandra Hoover, Sabrina McKinney, Corrine

Wise and Wendi Wise, only had to wait for four days after taking the lead to see the final ball rolled in team competition.

The team rolled games of 718, 635 and 642 to finish at the top of the standings with a 1,995 total.

Four teams earned their spot as the talk of the town at Stardust Bowl in 2022, recording wins in their respective average-based divisions.

Seattle's D Echo Balliett-Legge Team 1 took home the Emerald Team title (see above), and the Sapphire win went to the members of Fulton Bowling Center of Fulton, Missouri.

The members of Fulton Bowling Center – Laura Bolton, Sandra Ferguson, Marta Schmidt and Kathie Smith – were consistent throughout their set on the way to victory, rolling games of 610, 642 and 616 for a 1,868 total.

The Ruby title headed to the East Coast as B-More Ladies 8 of Middle River, Maryland, captured the win with a 2,242 total at Stardust Bowl.

The team featured Toni Miller, Lynette Monk, Tigress Morris and Bettina Thornton. They posted games of 771, 707 and 764 to secure their spot at the top of the leaderboard.

A big finish helped Verity's Variety of Lake Wales, Florida, collect the Diamond Team title in 2022 with a 2,686 total. After starting their set with games of 786 and 894, the team fired 1,006 in the final game to make their move.

Kathy Ledford led the effort for Verity's Variety in Game 3, rolling 290. Verity Crawley added 277, Haley Hall had 224 and Lori Edwards rolled 215 to post the top team score.

The day after moving into the lead in Diamond Team, Crawley continued her striking ways by rolling the first 300 game of the 2022 event during her doubles set on the way to a 757 series.

Crawley was joined by three other bowlers with perfect performances at Stardust Bowl, including Diamond All-Events champion Jodi Sarney of Huntley, Illinois, during doubles on the way to an 806 series.

Detroit's Latasha Cole added her name to the list by connecting on 12 consecutive strikes in her final game of doubles to post a 698 set, while Krystina Beasley of Anderson, South Carolina, found the right look in the middle of her doubles set to record the 38th 300 game in tournament history.

Participation milestones make for some of the best moments at the Women's Championships, and Onalee Kraus was able to celebrate one of the rarest feats in tournament history during her appearance in 2022.

Kraus, of Coldwater, Michigan, became the fifth bowler to reach 60 appearances at the Women's Championships. Her career on the tournament lanes began at the 1957 event in Dayton, Ohio.

Before Kraus accomplished the feat, the last time a bowler reached the milestone at the Women's Championships was 2009 (USBC Hall of Famer Anita Cantaline).

Eight bowlers also celebrated their 50th appearance at Stardust Bowl, including Doris Beath of Boerne, Texas; Phyllis Bourque of La Platte, Maryland; USBC and PWBA Hall of Famer Pam Buckner of Reno, Nevada; Linda Coonan of Abingdon, Maryland; Lillian Sitze of North Port, Florida; Joyce VanBuskirk of Lincoln, Illinois; Sue Werkheiser of Stroudsburg, Pennsylvania; and Verna Zimmerman of Normal, Illinois.

In May, competition at the Women's Championships took a quick hiatus to welcome the USBC Queens to Stardust Bowl. The Queens is a major championship on the Professional Women's Bowling Association Tour schedule and has a history that dates back to 1961.

Germany's Birgit Noreiks was able to win both of her matches in the stepladder finals, including a 187-158 victory in the title match against Colombia's Clara Guerrero, to capture her first major championship live on CBS Sports Network.

Championship – Simonsen def. Duke, 219-216

Anthony Simonsen of Las Vegas claimed his fourth major championship by winning the 2022 United States Bowling Congress Masters.

The two-hander recorded the win, his second at the Masters, by defeating USBC and Professional Bowlers Association Hall of Famer Norm Duke of Clermont, Florida, 219-216.

The win at the Gold Coast Hotel and Casino netted Simonsen his second \$100,000 top prize in less than two months. He won the U.S. Open in February. Duke collected \$50,000 for the runner-up finish.

The championship round of the 2022 USBC Masters was broadcast live on FOX.

Simonsen's first win at the Masters came in 2016 and helped him become the youngest bowler in history to win a major at 19 years and 39 days old.

His wins at the 2019 PBA Players Championship and 2022 U.S. Open also set the mark for youngest to win two and three majors, respectively, and he added another record in this event as the youngest to four at 25 years and 87 days old.

The win made him one of just nine players to win the Masters twice, and the victory marked his 10th PBA Tour title. He also became the first

player to win both the Masters and U.S. Open during the same season since USBC and PBA Hall of Famer Mike Aulby accomplished the feat in 1989.

"It's one of those things where I just like going out and bowling," Simonsen said. "I didn't have any expectations for the career. It was just something I wanted to do for a long time, because I grew up watching them. It's kind of wild how quickly it all has happened. Someone mentioned that it was six years ago when I won this event, and it doesn't seem like it's been that long. It's been one heck of a ride, and I'm just trying to enjoy it."

The title match saw Simonsen start with four consecutive strikes, before a 4-9 split in the fifth frame slowed him down. The open frame allowed Duke to sneak into the lead after he delivered a double in the fifth and sixth frames.

After converting a 4 pin in the ninth frame, Duke lost the chance to shut out Simonsen, who had rolled a strike in his foundation frame.

Duke spared a 10 pin and toppled nine pins on his fill ball in the 10th frame, giving Simonsen the opportunity to win if he was able to strike on his first delivery. He made the right adjustment after leaving a 4 pin on the right lane in the eighth frame and rolled the strike he needed. He secured the title with eight pins on his next shot.

"I made a pretty good shot on the right lane and left a 4 pin," Simonsen said. "I was a little hesitant, because there were a couple lanes throughout the week that would get through the spot but wouldn't come off it very well when you tried to throw it a little harder. Also this week, sometimes when you moved left, the ball hooked earlier, so I was on a real fine line. I decided to go ahead and just move one and made sure I used my legs."

Duke, who earned the top seed for the stepladder after going undefeated in the event's double-elimination bracket, also was looking to add another record to his legendary career on the lanes.

He was in search of his 41st PBA Tour title, eighth major and second win at the Masters after claiming the title in 1993.

The 58-year-old right-hander was the youngest bowler ever to win a PBA Tour title at the age of 18, and he would have become the oldest player to win a national tour title, major and the Masters with a victory in

this event.

USBC and PBA Hall of Famer John Handegard won the 1995 PBA Northwest Classic at the age of 57, and fellow hall of famer Ernie Schlegel captured the 1996 Masters title at 53 years old.

Simonsen and Duke have shared some parallels in their careers, even with the difference in ages. Both originally hailed from Texas and found early success on the PBA Tour at a young age. As Duke looks toward the end of his professional career, Simonsen has appreciated the mentorship provided by the hall of famer.

“Norm always has been respectful to me, and my mom and him were friends for a long time,” Simonsen said. “I think that’s where part of my love and appreciation stands with Norm. It’s been an absolute privilege to share the lanes with him. Norm’s a special one, and I don’t think there will be anybody who does it like him ever again.”

Simonsen started his march to the title with a win in the semifinal against Brad Miller of Lee’s Summit, Missouri, 189-185, which included a clutch conversion of the 2-4-8-10 from Simonsen in the eighth frame.

Miller could have doubled in the 10th frame to force Simonsen to match him to advance, but he left a 2-8 combination on his second delivery. Simonsen rolled a strike and knocked over eight pins to move to the title match.

Miller’s first match in the championship round was not settled in 10 frames, as he and AJ Johnson of Oswego, Illinois, finished tied at 224.

Miller left a 4-10 split in his final frame and was unable to convert, giving Johnson the chance to record three strikes in the 10th frame to win by a single pin. Johnson rolled two strikes but left a 4 pin on his final shot.

They matched each other with eight pins on the first shot of the roll-off, and Miller posted a nine count after leaving a 2 pin on his second attempt. Johnson’s second shot missed the headpin to the right, leaving the 1-2-7 to end the roll-off.

Miller and Johnson both were searching for their first PBA Tour titles.

Johnson made his second championship-round appearance at the Masters after finishing as the runner-up at the 2015 event. He was the top seed as a senior at McKendree University during the appearance and lost to Australia’s Jason Belmonte in the title match.

Johnson won the opening match of the stepladder against Shawn Maldonado of Sugarland, Texas, 189-143. Both players struggled to find the pocket early, but Johnson jumped ahead with three consecutive strikes, starting in the seventh frame.

Maldonado was looking for his first major title.

The 2022 Masters featured three rounds of qualifying for the 414-player field. After 15 games over three days, the top 63 athletes, based on total pinfall, joined defending champion Thomas Larsen of Denmark in match play.

Simonsen was the qualifier leader after 15 games on the event’s 40-foot oil pattern.

Larsen lost his first two matches in the bracket and finished tied for 49th place.

All bracket matches leading up to the stepladder were three-game total-pinfall contests.

BowlTV.com provided livestream coverage of the 2022 Masters during qualifying and match play.

Match No. 2 – Plazas def. McEwan, 181-179

Semifinal – Noreiks def. Plazas, 233-214

Championship – Noreiks def. Guerrero, 187-158

In 2016, Germany's Birgit Noreiks made her first United States Bowling Congress Queens televised finals appearance. Six years later, Noreiks returned to the major championship lights of television and won her first career major title.

The 35-year-old right-hander defeated Colombia's Clara Guerrero, 187-158, in the title match at Stardust Bowl live on CBS Sports Network to become the eighth international player to win the USBC Queens.

She joins Ukraine's Dasha Kovalova (2019), Singapore's Bernice Lim (2016), Diana Zavjalova of Latvia (2013, 2017), Colombia's Maria José Rodríguez (2014), Australia's Carol Gianotti (1989), Japan's Kazue Inahashi (1984) and Katsuko Sugimoto (1981, 1982) as international winners of the event.

Noreiks claimed the coveted tiara and the \$60,000 first-place prize, the second richest top prize in women's bowling history. Guerrero earned \$30,000 for her runner-up finish.

In the title match, Noreiks began with three consecutive strikes and five of the first seven, while Guerrero opened with a 7-10 split and followed with a strike in the second. Guerrero added three consecutive nine spares as she tried to improve her carry percentage to strike, but splits in the sixth, seventh and eighth frames ended her chances at a major title.

"It's amazing," said Noreiks, while searching for the words to describe the win. "It just happened, so I still can't believe it. The game went by so fast. It really is amazing."

Noreiks used two different bowling balls in the finals, one on each lane, to help her feel comfortable on the 42-foot oil pattern. Similar to how she attacked the oil pattern during the week, she wanted to play straighter angles, and the forward thinking between her and her ball reps proved to play dividends during the stepladder finals.

"The guys said throw it fast and try to keep it in front of you, and that's what I like to do," said Noreiks, a three-time Professional Women's Bowling Association Tour champion. "I was nervous if I had to move left, because I don't feel I'm as good at doing that right now. When I saw the girls struggling while doing it, I knew I couldn't do that because it wasn't working. We figured out really early we were going to use two different balls to make sure I can do what I like to see, and I guess it worked."

The 2016 finals of the Queens was the first TV appearance of any kind for Noreiks, and much has changed since that time. She's improved as a player and an athlete. Her TV experience has improved exponentially, with this championship-round appearance serving as her seventh since 2016. Formally, Pöppler, she's now married to husband, Tobias. It's a different Noreiks all around, and she's grateful for the growth in all aspects.

"When I bowled the Queens in 2016, that was my first TV event I ever bowled," said Noreiks, who won the 2021 PWBA Go Bowling Classic. "I didn't know how to handle the shot clock, and I was injured on that show. It's just completely different now with the experience I've gained. I'm married now. I'm just happy with my life, and I can come out here, bowl and enjoy what I'm doing."

Guerrero was searching for her second major title and first win at the Queens. A win would've solidified her hall of fame career, but this defeat won't define her. She'll get back to work and be prepared for the next event.

"To be in that position felt great," Guerrero said. "How I executed and the decisions I made did not. But, you know, you work hard for yourself to be in the position where you can fight for a title, and that's what I did this week. I just have to regroup and to be stronger."

To advance to the title match, Noreiks defeated Colombia's Laura Plazas, 233-214. Another fast start for Noreiks put her in the driver's seat early, but Plazas kept the pace and trailed by only seven pins with two frames to go.

Needing a strike on her first shot in the 10th frame and seven pins on her next shot to secure the win, Noreiks delivered to defeat Plazas and advance.

Plazas, the No. 3 seed, advanced to the semifinal after defeating No. 4 seed Danielle McEwan of Stony Point, New York, 181-179.

Plazas missed two single pin spares in the match and looked like she might fall short, but a 7-10 split from McEwan in the 10th frame opened the door for Plazas to steal the match. She delivered two strikes and six pins in the final stanza to advance and performed admirably to sneak through.

In the opening match, McEwan defeated Hope Gramly of Aubrey, Texas, 213-180. Gramly, an amateur, was making her first televised appearance in a professional event and appeared ready for the moment.

She tossed strikes in three of her first five frames and trailed McEwan by one pin in the fifth frame. An open frame following the return from commercial break, and a late double by McEwan, proved to be the difference in the match.

The 2022 event started with 204 competitors. After 15 games of qualifying over three days, the top 63 players and Julia Bond of Aurora, Illinois, who was guaranteed a spot in the bracket as the defending champion, advanced to match play.

Match No. 2 – Belmonte def. Johnson, 221-212
Semifinal – Simonsen def. Belmonte, 180-168
Championship – Simonsen def. Tackett, 232-165

Almost six years after making history at Woodland Bowl, Anthony Simonsen of Las Vegas was back to claim another spot in the bowling record book, this time by winning the 2022 U.S. Open for his third major title on the Professional Bowlers Association Tour.

Simonsen defeated top seed EJ Tackett of nearby Bluffton, Indiana, 232-165, to become the youngest bowler in history to win three majors. It marked Simonsen's ninth PBA Tour win overall.

The victory came live on Fox Sports' FS1 as part of the 2022 PBA Tour television schedule and also earned Simonsen a \$100,000 top prize and the event's iconic green jacket. Tackett earned \$50,000 as the runner-up.

At 25 years and 31 days old, Simonsen bested the previous mark of 25 years and 43 days, set by United States Bowling Congress and PBA Hall of Famer Dave Davis more than five decades ago.

Simonsen had the opportunity to break the record on the U.S. Open stage in 2020, where he was the top seed for the TV show, but he fell to Australia's Jason Belmonte.

After Simonsen's win over Tackett, the top qualifier at the U.S. Open had been defeated six times since 2015.

"It was a long two years to wait after losing the title match in 2020 and then not bowling last year, so there certainly was some redemption in being able to win this time," Simonsen said. "It also is big because of how the season started at this year's (PBA) Players Championship. I

didn't feel like I bowled all that great, but I didn't bowl terribly, either. It's good to be moving in the right direction as the season gets going."

On the way to the win over Tackett, Simonsen struck six times in his first seven frames to put the game out of reach. Tackett, opened four times in the first eight frames.

Tackett was looking to become the eighth bowler in history to complete the PBA Triple Crown.

"I had a couple different ball choices, and I went with the one that got me there," Tackett said. "This particular time, on that particular pair, it wasn't the right one. I think the ball I threw was just a little bit too early, which forced me to throw it too far to the right. I just made the wrong ball choice, and that happens."

In 2016, a month past his 19th birthday, Simonsen won the USBC Masters to become the PBA Tour's youngest major champion. That win came shortly after the death of his mother, so it carried a little extra meaning for the young two-hander, who grew up in the Dallas-Fort Worth area.

This time, Simonsen again arrived at Woodland Bowl with a heavy heart, following the recent loss of his father, and it's something he did think about once he was on-site.

"My mom passed a couple months prior to us bowling the Masters here, and I came away with the win, and my dad passed away a couple of months ago, so coming back, I had a weird feeling this week in regards to that," Simonsen said. "And, it's a center I'm comfortable in, with some past success, so that always plays into it. That comfort definitely was a key to my success this week."

Simonsen, whose second major title was the 2019 PBA Players Championship, entered the stepladder finals as the No. 2 seed, 502 pins behind Tackett after 56 games of qualifying and match play across four oil patterns. It marked the fifth time since the U.S. Open's 2015 return from a one-year hiatus, that the top seed led by more than 270 pins and did not win. In 2020, Simonsen finished 362 pins ahead of the field.

"Yes, leading by 500 is all grand, but it doesn't matter," Tackett said. "It doesn't mean anything. This is what means something. I didn't do it. The positive is, I led by 500 over the best bowlers in the world. I know I'm bowling well, but I have to figure out what to do to win."

To earn the meeting with Tackett, Simonsen survived a rematch with Belmonte, who won the season-opening PBA Players Championship for his record-extending 14th PBA major win and 26th title overall.

In the low-scoring semifinal, Simonsen outlasted the Australian two-hander, 180-168, with a ninth-frame ball change sparking his run to the title. The two combined for five open frames, which included two washouts, two splits and a chopped 6-10 combination from Simonsen early in the match.

Simonsen and Belmonte were separated by one pin after nine frames. Simonsen finished first and delivered three strikes in his final frame to force Belmonte to do the same for a one-pin victory. The 38-year-old missed the headpin to the right on his first offering and left the 1-2-4 combination to fall short.

A win for Belmonte would've made him the first player in history to complete the PBA Super Slam twice. His win over Simonsen at the 2020 U.S. Open allowed him to achieve the feat for the first time, matching USBC and PBA Hall of Famer Mike Aulby.

The Super Slam includes the U.S. Open, PBA Tournament of Champions, PBA World Championship, PBA Players Championship and Masters.

Belmonte entered the championship round as the fifth seed and defeated No. 4 Jake Peters of Henderson, Nevada, and No. 3 AJ Johnson of Oswego, Illinois, to set up the meeting with Simonsen.

Against Johnson, Belmonte needed to spare a 10 pin in his final frame and get one pin on the fill ball to advance to the semifinal. He was successful and moved on, 221-212.

Johnson is a six-time runner-up in PBA Tour competition, the first of which came against Belmonte at the 2015 Masters. He did later pick up a win against the world's best at the 2019 Korea PBA SamHo Cup, but that was a non-title event.

In the opening match of the championship round, Belmonte struck three times in the first four frames, and seven times overall, to cruise to a 246-198 victory over Peters.

Peters won his first PBA Tour title in 2013 and was in search of his first major victory. He was not able to record a strike in the second half of the game and was slowed by a washout in the seventh frame that he was unable to convert.

All rounds of qualifying and match play this week were broadcast live at BowTV.com.

The 108 U.S. Open entrants bowled 24 games over three days and three oil patterns, before the field was cut to the top 36 for the eight-game Cashers' Round on a fourth oil pattern.

After 32 games, total pinfall determined the 24 bowlers for round-robin match play, and total pinfall for 56 games, including bonus pins for each match won, decided the five players for the stepladder.

The fourth oil pattern was used for the Cashers' Round, match play and the TV show.

The field at Woodland Bowl was made up of the sport's top performers in recent seasons. It included the leaders on the PBA Tour points list, Team USA and Junior Team members, top performers at USBC events and PBA majors, and those who advanced from an on-site pre-tournament qualifier last weekend.

The 2022 U.S. Open was a collaborative effort between USBC and the Bowling Proprietors' Association of America. The total prize fund for the event was \$282,000.

The last time the event awarded a six-figure prize to the champion was 2009.

Match No. 1 – McCarthy def. Ng, 212-178
Match No. 2 – McCarthy def. O'Keefe, 220-218
Semifinal – McCarthy def. Richard, 235-206
Championship – McCarthy def. McEwan, 212-172

Erin McCarthy of Elkhorn, Nebraska, climbed the ladder to win her first major championship on the Professional Women's Bowling Association Tour at the 2022 U.S. Women's Open.

The 31-year-old right-hander defeated Danielle McEwan of Stony Point, New York, 212-172, to win the title at Kingpin's Alley Family Fun Center.

McCarthy earned the coveted green jacket, iconic trophy and \$60,000 for the win. The U.S. Women's Open was broadcast live on CBS Sports Network.

In the title match, McCarthy opened with three consecutive strikes and tossed five in the first six frames to sprint to a 28-pin advantage. McEwan was slow to get out of the gates with just one strike and two open frames during the same period. The lead continued to increase for McCarthy as McEwan was unable to double during the final four frames, allowing McCarthy to lock up the match.

During the final game of match play, McCarthy had to throw two strikes in the 10th frame to earn the No. 5 seed and advance to the finals where she earned her place in the record book as the latest U.S. Women's Open champion.

"Fifty-six games plus these are grueling," said McCarthy, who won her second PWBA Tour title and first since 2018. "You've got bad games and really good games. The highs and lows of the tournament, it is

beyond stressful. There were a lot of nerves, but even more nerves in that final game. I just really focused on one shot at a time. I made sure that my feet were slow, because if my feet were slow, everything else should align appropriately. To make it here to the top, this is the greatest moment of my life. This is going to be something that I never, ever forget."

McCarthy finished third in this event in 2017 and 2018 and, despite neither event resulting in a win, she learned from those moments and applied some valuable lessons in this year's championship round.

"This feels absolutely incredible," said McCarthy. "I think from my past two U.S. Open shows, I learned what not to do for this one. I rushed a lot during those shows. The 10 frames go by super quick, and I'm a quick bowler to begin with, so I forced myself to stay slow during the show. Last night, I went to bed and thought about what I was going to do differently today. I did everything differently today than I did on those last two shows, and it paid off."

McCarthy advanced to the title match after defeating No. 2 Jordan Richard of Maumee, Ohio, 235-206. A late rally by Richard forced McCarthy to mark in the 10th frame to advance to the title match. She delivered a strike to advance.

In Match 2, McCarthy was locked in a battle with Shannon O'Keefe of Shiloh, Illinois. After McCarthy failed to shut out O'Keefe, she needed two strikes and eight pins to advance. O'Keefe struck on the first two offerings but left the 4-6-7-9-10 split on her fill ball to lose, 220-218.

In the opening match, McCarthy defeated Singapore's Shayna Ng, 212-178.

All 90 competitors bowled 24 qualifying games over three days to determine the 30 players advancing to Round 4. After eight additional games, the field was cut to the top 24 bowlers for round-robin match play.

The five finalists were determined by total pinfall, including bonus pins, for 56 games.

2022 TEAM USA

All United States Bowling Congress members have the opportunity to represent their country in international competition as members of Team USA or Junior Team USA.

As has become tradition, the year kicked off with the 2022 USBC Team USA Trials and U.S. National Amateur Bowling Championships. The events concluded with the introduction of Team USA and Junior Team for 2022. The Junior Team USA rosters also included those who qualified for the team through the 2021 Junior Gold Championships.

Shannon Pluhowsky of Dayton, Ohio, captured the women's title at the 2022 USBC Team USA Trials, outlasting a field of 125 women in the five-day test of versatility on five lane conditions at the Gold Coast Bowling Center in Las Vegas.

Pluhowsky's win was her third at the event since the inaugural edition in 2008. She also won in 2011 and 2015 to go along with victories at the U.S. National Amateur Bowling Championships in 2001, 2003 and 2004. The events are one in the same, but there was a rebranding when professionals first became eligible for Team USA.

On the men's side, Darren Tang of Las Vegas topped a field of 161 men to claim his first Team USA Trials victory, while Chloe Skurzynski of Carlisle, Pennsylvania, and Trent Mitchell of Chicago took the titles at the United States National Amateur Bowling Championships.

With the 2022 rosters finalized, it was time for Team USA and Junior Team USA bowlers to get down to business and hit the lanes for some competition.

The youngsters were up first as they kicked off the international competition season at the 2022 International Bowling Federation U21 World Championships, which took place at Olympia Bowling in Helsingborg, Sweden, from June 20-29.

Junior Team USA represented itself well as both the men's and women's teams earned silver medals in the four-player team event.

The American men's team featured Tyrell Ingalls of Loganville, Georgia; Alec Keplinger of Coldwater, Michigan; Spencer Robarge of Springfield, Missouri; and Julian Salinas of Richmond, Texas.

The women's team wearing the red, white and blue included Victoria Varano of Stony Point, New York; Mabel Cummins of Hermitage, Tennessee; Jillian Martin of Stow, Ohio; and Paige Peters of Toms River, New Jersey.

Varano also went on to secure a bronze medal in women's singles.

One month later, Shannon O'Keefe of Shiloh, Illinois, and Julia Bond of Aurora, Illinois, represented Team USA in Birmingham, Alabama, at the 2022 World Games, which was contested July 7-11 on eight specially constructed lanes inside the Birmingham-Jefferson Convention Complex, which featured string pinsetters instead of traditional free-fall pinsetters.

O'Keefe got the ball rolling for Team USA, capturing gold in singles by defeating Colombia's Clara Guerrero 2-1 in the best-of-three finals.

Shortly thereafter, O'Keefe and Bond teamed up and had designs on taking home the doubles gold medal as well.

That plan would never come to fruition, however, as Denmark's Mika Guldbæk and Mai Ginge Jensen topped O'Keefe and Bond 2-1 during a hard-fought title match to secure the gold, leaving the Americans to settle for silver.

They wouldn't have to settle for very long, though, as Team USA was back in action one month later at the PanAm Bowling Champion of Champions event in Rio de Janeiro.

Team USA bowlers and coaches came to the tournament with three primary goals in mind.

The first was to finish high enough to qualify both the men's and women's teams for the 2023 Pan American Games in Santiago, Chile, the second was to win as many medals as possible, preferably gold, and the third was to help O'Keefe end her Team USA career on a winning note.

Once three days of competition and 96 games had been completed, it was easy to declare the mission accomplished.

O'Keefe and Bryanna Coté of Tucson, Arizona, secured the women's team a berth to the Pan American Games by cruising to first place with a three-day, 48-game total of 10,687.

Kris Prather of Romeoville, Illinois, and A.J. Johnson of Oswego, Illinois, were equally successful on the men's side for Team USA, earning the coveted berth by putting up a 48-game total of 11,140 to finish in first place more than 750 pins ahead of Canadians Francois Lavoie and Jordan Jung.

All told, Team USA athletes brought home 12 medals, the maximum number possible at the event, including seven gold, one silver and four bronze.

Prather collected three gold medals while Johnson and Coté each secured one gold and two bronze.

O'Keefe brought her legendary Team USA career to a close by collecting two gold medals and one silver.

O'Keefe's retirement left the international stage wide open for other talented young American women, and six of them grabbed the spotlight and put on quite a show at the 2022 PanAm Bowling Women's Championships, which was contested at Bowling Center of La Villa Deportiva Nacional (VIDENA) in Lima, Peru, from Oct. 23-28.

Those athletes were Breanna Clemmer of Clover, South Carolina; Coté; Danielle McEwan of Stony Point, New York; Lauren Pate of Ballwin, Missouri; Jordan Richard of Maumee, Ohio; and Stephanie Zavala of Downey, California, and they did their best to ensure that American names would be the ones found at or near the top of the standings in just about every event when it was time for medals to be awarded.

Team USA not only collected the team gold medal, but Clemmer, McEwan and Richard also worked together to take the top spot in trios as well.

McEwan and Richard weren't done, however.

McEwan won gold in singles and silver in all-events while Richard did the opposite, taking gold in all-events and silver in singles.

The duo also paired up to bring home a silver in doubles by finishing second to Colombia's Juliana Franco and Maria José Rodriguez.

There would be no second-place finishes the following month when Team USA competed in the 2022 International Bowling Federation World Cup, which was held at Suncity Tenpin Bowl in Queensland, Australia, from Nov. 12-23.

That's because the American contingent would leave the event without a silver medal; instead, the group would take home two gold and one bronze.

The first gold medal went to Coté, who captured the top spot in women's singles by sweeping Singapore's New Hui Fen 2-0 in the finals, taking Game 1 by a score of 194-186 before wrapping things up with a 226-201 victory in Game 2.

The second went to the men's team of Jakob Butturff of Tempe, Arizona; Kyle Troup of Taylorsville, North Carolina; Prather and Johnson, which struck gold by defeating Puerto Rico 3-1 (214-172; 262-202; 221-222; 209-198) during the men's Baker team final.

Prather was responsible for Team USA's lone bronze medal at the 2022 World Cup; it came in singles after he took down Malaysia's Timmy Tan 2-0 (288-279; 215-206).

The World Cup put an end to another impressive year for Team USA.

The Wisconsin-Whitewater men and Stephen F. Austin women captured team championships, and William Paterson's Brandon Vallone and Stephen F. Austin's Chloe Skurzynski claimed singles titles at the 2022 Intercollegiate Team and Singles Championships at Stardust Bowl.

The championship rounds in the men's and women's divisions in each event were taped for broadcast and aired on CBS Sports Network.

In the men's team final, Wisconsin-Whitewater trailed Wichita State in the best-of-five Baker final, 0-2, and for a moment, it looked like the Hollywood script would not be greenlighted as head coach Shawn Wochner was retiring after the match.

But, needing a mark to stave off elimination, Wisconsin-Whitewater senior Donovan Thomas followed his three teammates and struck on his first shot in the 10th frame to win Game 3 (223-192). This began the Warhawks rally, in which they won Game 4 (182-168) to force the deciding fifth game.

With the momentum in their favor, the resilient Warhawks built a lead with three strikes in their first four frames as the intrigue continued to build, with Wichita State struggling late in the match.

The Shockers, who were looking to repeat as champions at the ITC, had three opens in the first six frames. This allowed Wisconsin-Whitewater to fill frames until the ninth, when the Warhawks tossed a strike to lock up the game (204-161) and a 3-2 win to claim the program's first Helmer Cup.

Wochner, who had announced his retirement from coaching in previous months, finally broke through as the Wisconsin-Whitewater head coach after a couple of third-place finishes in recent years. He's now in rare company as a winner of the ITC as both a player (Western Illinois in 2001) and coach.

The bleachers were filled with current and former Warhawk alumni, as well as Wochner's family and friends from the Quad Cities. It's a moment Wochner or the team will never forget.

"This means everything," Wochner said. "We had alumni here. The two alumni who suggested I come to Whitewater (Kiefer Sullivan and Mike Dolan) were here. It validates all the time these guys have put in. It's all the frustrations. It's all the thrills of victory and the agony of defeats. The guys came together. We were able to control what we can control and stay in the moment. It's something that will live with these guys for the rest of their lives. It was a total team effort."

Thomas, who was named the men's Most Valuable Player of the

ITC, stepped up and performed in clutch moments throughout the tournament, and it did not stop in the finals. He's someone the team trusted in the anchor position not only for his striking abilities, but for his leadership and understanding of the game.

"It feels amazing," Thomas said. "Getting to TV was an amazing feeling, but now that we've won, it's definitely the best feeling in bowling. Becoming a leader definitely came over time. I've been a team captain for the last two years, and it's just gaining the trust of everybody, and having a lot of knowledge in the sport helps, too, because I can help in any aspect they want. The way I see the lanes is super analytical, and I can help with other players moves and work with coach in that aspect."

The 2022 championship team for Wisconsin-Whitewater featured Thomas, Drake Bazy, Maguire Hansche, Garrett Meadows, Mason Peterson, Ty Peterson, Quinn Sheehy and Brett Beuthin.

Joining Thomas on the men's all-tournament team was Savannah College of Art and Design-Savannah's Alex Glinski, Emmanuel's David Hooper, Wichita State's Alec Keplinger and Indiana Tech's Marcus McClain.

The Chris Stoehr Sportsmanship award went to Michael Nape Jr. of St. Francis-Illinois.

In the women's title match, two-time NCAA champion Stephen F. Austin started Game 1 with four strikes in their first five frames, while Wichita State began with three consecutive opens.

The Shockers, who entered the 2022 event as the defending champion in the women's field, were able to right the ship down the stretch and forced Stephen F. Austin senior Carlene Beyer to mark in the 10th frame. Beyer was able to seal a Game 1 win, 193-182.

In Game 2, the Ladyjacks tossed eight strikes to defeat the Shockers, 240-159.

In Game 3, Wichita State came out aggressive with four straight strikes but followed with three consecutive open frames, including two splits. Stephen F. Austin saw their first double appear in the fifth and sixth frames, but perhaps the moment of the match came in the seventh frame, when right-hander Katie Heady left a 1-2-4-10 washout. She was subbed out for left-hander Megan George, who converted the spare and sent the team and its fans into a frenzy.

The Shockers had a chance to shut out Stephen F. Austin in the 10th frame, but a split from senior Addie Herzberg left the Ladyjacks with a chance to win the game and the title.

Needing a mark, Beyer left a 6-10 on her first shot and converted the spare to give the Ladyjacks their first ITC title in program history. The final score was 196-188.

In the month of April, the team bowled in 11 matches across two national championship competitions and lost just one match during that span (NCAA Women's Bowling Championship to McKendree).

"I think all of the things we have been preaching since Day 1 have come together at the same time and the right time," said Stephen F. Austin head coach Amber Lemke. "We are not a team that typically does very well in the fall. We struggle to find our way during that time, and as we find our way, things start to click for the players and propels everyone to be better. We tell them 'we're doing all of this hard work to be ready for March and April,' and once they see it pay off, it takes them to another level, and that's what you're seeing."

Beyer, who was named the women's Most Valuable Player, brought her striking ways to Stardust Bowl and became a two-time national champion, after winning the 2019 NCAA title as a freshman.

"To me, this means so much, because we had a little experience last weekend bowling McKendree and getting swept," Beyer said. "This weekend, we kept telling ourselves 'go out, be fun, be loose and just throw the ball down the lane and whatever happens, happens.' It's really something special. We had each other's backs, and we showed it again on the show."

The 2022 championship team for Stephen F. Austin featured Beyer, her sister, Brystal Beyer, Crystal George, Megan George, Katie Heady, Isabel Hughes, Hana Roers and Chloe Skurzynski.

Joining Beyer on the all-tournament team were Herzberg, Sam Houston State's Denise Blakenzee, Pikeville's Kristina Catoe and Mount St. Mary's Rebecca Dodson.

The Chris Stoehr Sportsmanship award went to Mount St. Mary's Tamera Stanton.

In the men's singles title tilt, Vallone beat St. Ambrose's Nate Stubler, 184-158, to win the ISC crown.

The title match began with bowl players producing open frames, but Stubler was the first to double in the third and fourth. Stubler found trouble later in the match, though, leaving back-to-back splits in the sixth and seventh frames.

After the initial open, Vallone traded strikes and spares until the fifth frame, when an untimely split left him facing a 19-pin deficit. Following Stubler's troubles, Vallone took the lead in the seventh frame, and a key ball change helped him lock up the match with a strike in the ninth.

"It's an incredible feeling," Vallone said. "I haven't experienced anything

like this before in my life. I made a ball change a few frames before and I trusted it. I knew what I was doing. I gave myself the best chance to mark and I did. Having my team behind me and supporting me helped me settle in."

Vallone's first year of college bowling was life-changing, especially with the time he spent with his William Paterson teammates. He was one of the hardest workers on the team, and both his coach and teammates couldn't be prouder.

"He's one of the hardest working bowlers I've ever coached," said William Paterson head coach Greg Hatzisawas. "He's super dedicated. He practices. He's focused at practice. He pays attention. He asks questions. And, when he's not bowling team practices, he supplements with tournaments on the weekends. He's earned this."

Vallone defeated Calumet's Daniel Chin, 201-174, in the opening semifinal match. Both players didn't look comfortable through the first five frames, but Vallone was able to remain clean and put together strikes in frames six, seven and eight to secure the victory. Chin was looking to follow in the footsteps of teammate Pete Vergos, who won the men's title in 2021.

Stubler advanced to the final by defeating Oklahoma Christian freshman CJ Petrin, 217-183. Petrin found an early double to start the match but followed with two consecutive opens, while Stubler stayed clean early and followed with five straight strikes to advance.

In the women's final, Skurzynski, who had been nursing a back injury during the previous three weeks, began the title match against Duquesne's Olivia Farwell with strikes in three out of the first four frames, but she left the 4-6-7-10 split on the right lane in the fifth frame to momentarily pause her momentum.

Meanwhile, Farwell, the 2022 National Tenpin Coaches Association Division I Player of the Year, was clean through the first five frames until she left a 4-6-7-10 of her own in the sixth. Skurzynski seized the moment and followed with a double to take the lead, which she never relinquished. Needing a mark to win and finishing on the left lane, Skurzynski tossed a strike to claim the singles crown.

In total, she tossed a total of 10 strikes in 13 chances on the left lane across two matches.

"I bowled against Liv for years in Pennsylvania," Skurzynski said. "We've been bowling since we were 15 years old through high school and now in college. So, it was somewhat comforting bowling against her in the match, but with the injury, I wasn't sure what was going to happen. I still don't know what it is, except it started three weeks ago at the NCAA Arlington Regional.

"It was really bad after ISC qualifying. I actually didn't bowl during the first day (Thursday) of team event, and I threw one fill shot the next day.

When I practiced this morning, every shot hurt so I said, 'it's going to hurt regardless, so I might as well throw it as best as I can, since the season is over.'"

Skurzynski had quite the run in 2022. It began in January, when she won the U.S. National Amateur Bowling Championships to earn a spot on Team USA.

"I'm just somebody who likes to go for the moment in the moment," Skurzynski said. "But, when you start saying the accomplishments together, and looking back on it, it's a lot. Honestly, I haven't had a lot of confidence in my game lately, especially when my back started flaring up. I was probably 75% today. I'm incredibly grateful for the Team USA opportunity, the amateur title, the opportunity to compete at the ISC and the title, and the ITC win with the girls. I honestly didn't even know if I'd be bowling because of my back. It's crazy."

In the first women's semifinal, a ball change following two open frames was key for Skurzynski, who tossed six out of the last seven strikes to defeat Duquesne's Kiearra Saldi, 205-164. Saldi was looking to battle her teammate, Farwell, in the finals.

In the other semifinal, Farwell defeated Vanderbilt's Mabel Cummins, 213-191. Farwell tossed five strikes in the first seven frames, while Cummins, who controlled the pocket and was clean with no open frames, was never able to find a double in the match.

All qualifying and match-play rounds held prior to the televised finals were broadcast on BowlTV.com.

Teams and individuals competing at Stardust Bowl this week earned their spots at the ITC and ISC through four sectional qualifiers held throughout the country in March.

More than 3,200 United States Bowling Congress Youth members competed at Junior Gold 2022, traveling across eight bowling centers in the Grand Rapids area in hopes of winning a sizable portion of the approximately \$500,000 scholarship fund, making a run at a national title and claiming a spot on Junior Team USA.

In the end, eight champions were crowned after the stepladder finals in the 20-and-under, 18-and-under, 15-and-under and 12-and-under divisions at Fairlanes Bowling Center.

The 2022 roster of champions included Justin Bohn of Jackson, New Jersey (U20), Brandon Bohn of Jackson, New Jersey (U18), Landin Jordan of Sycamore, Illinois (U15), and Durflinger Durflinger of Beavercreek, Ohio (U12), in the boys divisions. The champions on the girls side were Anna Callan of La Crosse, Wisconsin (U20), Erin Klemencic of Powder Springs, Georgia (U18), Avery Domaguin of San Diego (U15) and Sadrianna Erb of Farmington, New York (U12).

BowlTV.com livestreamed competition throughout qualifying and the double-elimination brackets from four of the eight centers, along with the stepladder finals.

With the finals in each division being broadcast by BowlTV, the top overall seed for the stepladder had to be defeated twice in the true double-elimination format.

U20 Boys

In the title match, Justin Bohn took care of No. 1 seed Ryan Barnes of Denton, Texas, 207-192 and 226-214.

To get to the title match, Bohn first had to contend with No. 2 seed Cayleb Carey of Hobart, Indiana, in the opening match of the BowlTV.com livestream. The match was a messy affair as both players suffered a trio of opens through eight frames. It was a four-pin match heading into the ninth frame. Carey converted a 3-6 leave in his ninth frame. Bohn struck in his ninth frame, and on his first shot in the 10th. He got eight on his second shot in the 10th, opening the door for Carey. Needing a double to win and advance, Carey left the 4-6-7 split on this first shot in the 10th, and Bohn survived, 183-166.

The title match featured the sons of USBC Hall of Famers paired against each other. Both Chris Barnes and Parker Bohn III were in attendance to watch their sons face off for the championship (Barnes' wife Lynda, Ryan's mom, also is a USBC Hall of Famer).

In Game 1, Barnes would have trouble on the left lane, leaving a pair of 2-8-10 splits that led to open frames. Bohn had nothing but marks from

the second through the 10th frames. Bohn converted a critical 2-4-5-8 leave in the ninth frame, then struck and converted the 2-4-8 combination in frame 10 to wrap up the Game 1 win.

"In practice before the show, I knew the left lane was tighter," said Barnes, who like Bohn and Carey, uses a two-handed style from the right side. "Then after I came back after they bowled the first match, it was way tighter, and I got a little tricked, I think. Probably should've made a ball change in there somewhere."

With the title on the line in Game 2, Barnes, who bowls collegiately at Wichita State University, sandwiched doubles on either side of a spare conversion in the third frame. Bohn answered by rolling strikes in three of his first five frames. Both players spared in the sixth, and Barnes held an eight-pin advantage heading into the seventh frame.

It was Bohn who would take control late, striking in the seventh, eighth and ninth frames. Barnes converted a 2-7 split in his 10th frame, but when Bohn got nine pins on his first shot in the 10th, it was enough to secure the win and the title.

For Bohn, the win was a validation of sorts.

"This win is everything," said Bohn. "The long, long hours of trying to figure out how I can get to that next level, it's now worth it. I've felt like I've been good for a long time, but I've never been really good. I've always been close, but I've never been quite there. Watching it all come together this week in an event like this with a variety of patterns and limited ball choices, you dream of stuff like that."

U20 Girls

The girls title match saw Anna Callan defeat Lara Kurt of Leland, North Carolina, 235-205 and 244-167.

For Callan, a member of the University of Nebraska bowling team, the march to the title started with a win over No. 3 seed Jaelle Hamman of Jarrell, Texas, who won the U18 title at last year's event. Each competitor had difficulty taking advantage of opportunities as the match came down the homestretch. Callan opened in the eighth frame, failing to convert the 3-6-10. But Hamman missed a single-pin spare (6 pin) in the ninth. Callan had a chance to close out the match in the 10th but left another open frame when she couldn't convert a 4-10 split. Hamman needed to fill 17 pins in her 10th frame to win and advance but missed another single-pin spare (10 pin) as Callan took the win, 179-172.

Feeling like she was given new life, Callan started Game 1 of her match against Kurt by striking in seven of her first eight frames. Kurt, who

competes at Savannah College of Art and Design-Savannah, never got comfortable on the left lane and Callan won Game 1 by 30 pins.

The trend continued in Game 2. After a strike in the first frame, Kurt converted spares in her next four frames. She then tried a ball change in the sixth frame, but that resulted in an open frame after a 1-2-4-6-10 leave. Callan spared in her first two frames, then rolled a five bagger before a 2-7-8 split in frame eight temporarily slowed her momentum. She then threw the last four strikes to wrap up the title.

"I felt like my reaction got lost in that second game," said Kurt. "I kind of got into that stuck situation where if I moved left and I threw it out, it would just flatten. If I moved right, it would pick up too much. That's why I tried switching balls. She had a good look the whole time and threw great shots."

A little bit of outside advice helped get Callan's mind right for the championship round.

"Shawn Wochner, my brother's coach, was here and he told me, 'Don't be afraid to lose. Be fearless.' And that was like the biggest 'Aha' moment for me," said Callan. "I just walked in and told myself that I couldn't be scared, because if you play scared, you don't play well."

When asked where this win ranked in her still young bowling career, Callan said, "I would say it's definitely No. 1 right now. Just because of the feeling that I had after I won. This was something I've been working on for four years, ever since I started bowling this event. So, finally getting it puts it at the top of the list."

The U20 division featured 79 girls and 146 boys at the 2022 Junior Gold Championships.

U18 Boys

Brandon Bohn of Jackson, New Jersey, successfully defended his U18 boys title and collected his third Junior Gold national championship overall by defeating Carter Street of Dublin, Ohio, 247-202 during the final match of the 2022 Junior Gold Championships.

Bohn started quickly once the title match began, opening with a four-bagger to jump out to a 32-pin lead by the fifth frame.

Things grew a bit uncomfortable in the minutes that followed, however, as Bohn failed to convert a single-pin spare in the sixth frame and then left a 3-7 split in the seventh.

From the crowd, Brandon's father, PBA-legend Parker Bohn III called out, "Just take one, kid," knowing that with the lead in hand, the pin count could be helpful to Brandon down the stretch.

It's hard to argue with the advice of a PBA Hall of Famer; nevertheless, Bohn chose to go his own way, trying for the conversion, which he pulled off to thrill the crowd and keep his 21-pin lead intact with just three

frames to go.

"My dad's my mentor, so I usually listen to him when he gives me advice," Bohn said. "But I knew I couldn't afford two opens in a row against a great bowler like Carter, so I went for the make. I think that was the only time I picked that split up all week."

Street did his best to give Bohn something to think about heading into the 10th frame, but the pins just wouldn't cooperate. Once Street failed to strike in the eighth frame, the match belonged to Bohn.

Just for good measure, Bohn threw a closing five-bagger to put the finishing touches on another Junior Gold championship performance.

Despite now having won three Junior Gold titles, Bohn was having difficulty putting into words what this year's victory means to him.

"There really aren't any words I can use to say how special this is," Bohn said. "I got to watch Justin win the U20 title last week, then my dad left for a few days and got another PBA50 win, and now this happens for me. It's all just been unbelievable; that's probably the only word I can use to describe it."

Having already won two previous Junior Gold titles, Bohn hardly needed any extra help while attempting to secure his third; nevertheless, he earned an advantage by coming to the stepladder finals as the U18 boys top seed.

Since Bohn entered the BowTV telecast undefeated, Street or No. 3 seed Hayden Tarris of Bettsville, Ohio, would have to beat him twice to steal the title in Junior Gold's true double-elimination format.

Before taking Bohn on for the title, Street kicked off the U18 boys stepladder with an electric performance, becoming the first bowler to ever shoot 300 during a stepladder finals match at Junior Gold.

The perfect game gave Street a 300-206 victory over Tarris, whose outstanding week of bowling netted him a third-place finish.

U18 Girls

Erin Klemencic of Powder Springs, Georgia, came away with the U18 girls crown by virtue of her 223-210 defeat of Annalise OBryant of Ball Ground, Georgia, during the live BowTV broadcast of the stepladder finals.

The title match didn't get off to the start Klemencic had hoped for as her opening shot found the right gutter. Nevertheless, she quickly regrouped by making the spare.

Klemencic then proceeded to throw a four-bagger in frames two through five to jump ahead of OBryant by 14 pins.

OBryant doubled in the fifth and sixth, and when Klemencic was only

able to put up spares in the sixth and seventh, OBryant had a chance to take the lead for the first time.

It wasn't meant to be, however, as a 2-4-8-10 split in the seventh followed up by a 2-8-10 split in the eighth all but doomed OBryant.

Showing the heart and determination that led her to a pair of U15 girls Junior Gold titles, OBryant didn't give up, throwing strikes on three of her final four shots to finish at 210.

Nevertheless, Klemencic still only needed eight pins on her first shot in the 10th frame to capture the title. She got nine for good measure, converted the spare and then struck on her fill ball to cap off the impressive victory.

"It's really amazing to come out here and do what I love to do and finally be rewarded by walking away with a championship," Klemencic said. "To have this happen is a dream come true; it's just awesome."

Klemencic's performance was pretty awesome all the way through Junior Gold 2022.

She just missed a top-10 finish during qualifying, and then she really turned up the heat once match play began, going 4-0 to advance to the finals as the U18 girls top seed.

That gave Klemencic a little extra breathing room once the stepladder began. That's because as the top seed and only remaining undefeated bowler, Klemencic had to be beaten twice to lose the title in Junior Gold's true double-elimination format.

Even though Klemencic had a get-out-of-jail-free card in her back pocket, she went into the match with OBryant hoping not to have to use it.

"It was nice to have that extra game if I needed it, but I knew that I could get it done in one if I just stayed true to my game and focused on what I had to do," Klemencic said.

That's exactly what she did, and that's why she was able to collect her first national championship while simultaneously thwarting OBryant's bid for Junior Gold title No. 3.

OBryant began U18 girls stepladder competition by dispatching Junior Team USA member Jillian Martin of Stow, Ohio.

Martin's success on the PWBA Tour and in other high-level competitions would have been enough to intimidate some opponents, but it certainly didn't appear to intimidate OBryant.

Why should it? OBryant has done plenty of winning herself.

Seeking to move back into the winner's circle once again, OBryant wasted no time seizing control once the semifinal match got underway.

OBryant struck on her first six shots before a soft 10 pin halted her run at perfection in the seventh frame.

Martin fought valiantly to remain in the match, but when a high hit in the eighth frame resulted in a 4-10 split and open frame, the victory belonged to OBryant.

The 235-199 decision sent OBryant through to the championship match and gave Martin a third-place finish to take away from her strong week at Junior Gold.

The U18 division featured 569 girls and 1,204 boys at the 2022 Junior Gold Championships.

U15 Boys

Landin Jordan of Sycamore, Illinois, successfully defended his U15 boys title by defeating Kai Strothers of Maplewood, New Jersey, 236-202 during the second and deciding game of the U15 boys championship match on BowlTV.

The final game started off dead even with both bowlers beginning with doubles that were followed up by consecutive frames of nine-spares.

Jordan grabbed the lead from there, however, throwing three strikes in a row in frames five through seven to grab an 11-pin lead.

Strothers fired back with a double of his own in the sixth and seventh, but a flat 7 pin in the eighth and a mixer 10 pin in the ninth halted his run. Unfortunately, the situation got worse for Strothers after he was unable to convert the 10 pin.

The late open meant that Jordan needed just one mark over the last two frames to win. As expected, he came through, sparing in the ninth and then taking a victory lap by striking out in the 10th to land in the Junior Gold winner's circle for the second year in a row.

"Winning never gets old," Jordan said. "It makes all of the sacrifices and hard work worth it. It's the best feeling in the world."

Jordan has gotten to experience that feeling more than most, and that's what helped him stay calm and focused on the task at hand when it looked like he may have to strike out in the ninth and 10th to match Strothers at 236.

"I expected Kai to strike out, so I just got my mind focused on the three shots I was going to have to throw in the 10th frame to force the roll-off," Jordan said. "When his final frames didn't work out and I realized I'd won again, it was a surreal moment."

That moment was made even more difficult to attain since Jordan came in as the No. 2 seed.

Because Strothers entered the stepladder finals No. 1 as the only U15

boys bowler not to have lost a match up to that point, Jordan had to beat him twice to take the title in Junior Gold's true double-elimination format.

Instead of lamenting the fact that he had been unable to secure the top seed for the finals, Jordan used his semifinal match to dial in and figure out the challenging oil pattern.

That didn't take long as Jordan came out striking against No. 3 seed Kee-gan Alexander of Killeen, Texas, who he defeated 228-202 in the opener to earn his shot at Strothers.

Despite the eventual outcome, early on it seemed like Alexander was poised to end Jordan's run after Jordan left the Big 4 (4-6-7-10) split in the sixth frame. The defending champ recovered quickly though, doubling in the seventh and eighth to put the pressure squarely back on Alexander's shoulders.

Alexander responded by throwing a pair of quality shots, but a stone 9 pin in the eighth frame slowed him down. He came back with a strike in the ninth, but after leaving the bucket (2-4-5-8) on his first shot of the 10th frame, the victory belonged to Jordan.

The win pushed Jordan through to the title match and forced Alexander to settle for third place in the U15 boys standings.

U15 Girls

Avery Domaguin of San Diego captured the U15 girls title by defeating Samantha Kanehailua of Pearl City, Hawaii, 179-152 during the live BowlTV finals.

Domaguin controlled the challenging oil pattern masterfully all game long, staying locked in on the 1-3 pocket from the very first ball of the championship match and never letting go. She only managed to strike twice, but she stayed clean early to put keep the pressure on Kanehailua.

Kanehailua hung tough, but the transitioning lanes eventually caught up to her. She left a 4-10 split after coming in light in the fifth frame. That open allowed Domaguin to grab the lead for the first time in the match.

Sensing trouble, Kanehailua made ball changes in consecutive frames in the hopes of recapturing the striking power she displayed in the semifinals, but the moves had the exact opposite outcome.

Instead of striking, Kanehailua split in the sixth and seventh and washed out in the eighth, allowing Domaguin to increase her lead to 38 pins and effectively put the game out of reach.

Domaguin finally opened after leaving a 4-9 split in the 10th frame, but it didn't matter as the outcome had already been determined.

Domaguin's conservative title-match strategy was a bold one considering how successful Kanehailua had been the match before, but it worked to perfection and allowed Domaguin to walk away a national champion.

"This doesn't feel real right now," Domaguin said when discussing her victory. "I'm usually very nervous, but all week I stayed relaxed and just focused on myself. I trusted the process, and, obviously, it worked out."

Domaguin would do well to employ that same strategy going forward since it allowed her to have a far better Junior Gold performance than she ever expected.

"I just came in hoping to make match play again since I got that far last year," Domaguin said. "I wanted to get past the third round since that's when I was eliminated last year. Thankfully, I did."

Not only did Domaguin make it past the third round, she advanced to the stepladder finals as the only competitor not to lose a match in U15 girls match-play competition. That meant that Domaguin would have to lose twice during the BowlTV telecast to lose the title in Junior Gold's true double-elimination format.

Domaguin didn't feel like dragging things out, however, so she wrapped the title match up in a single game. However, that was no easy task when facing a talented competitor like Kanehailua, who came into the title match with considerable momentum.

Kanehailua opened stepladder play in thrilling fashion, throwing the front eight strikes in a row before a solid 10 pin stopped her bid for 300 in the ninth; nevertheless, the outstanding start was more than enough to help Kanehailua defeat No. 3 seed Kailyn Bloch of East Islip, New York, 266-192.

However, the transitioning conditions slowed her pace considerably during the title match, forcing Kanehailua to settle for a runner-up finish.

The U15 division featured 307 girls and 629 boys at the 2022 Junior Gold Championships.

U12 Boys

The U12 boys title went to Durflinger Durflinger of Beavercreek, Ohio, who defeated Ryan Campbell of Clinton, South Carolina, 203-189 during the second game of a two-game battle that was exciting from start to finish.

Campbell used a split conversion in the first frame and strikes in frames three through five to jump out to an early 32-pin lead in the deciding game.

Durflinger responded like a champion, however, making a ball change and then rattling off three strikes of his own to cut the deficit back down to just one pin by the seventh frame.

Campbell delivered a clutch pocket shot in the seventh, but the hit resulted in a solid 9 pin. He covered that spare, but he was unable to mark in the eighth or ninth frames, giving Durflinger the opportunity to step up and shut him out.

As champions often do, Durflinger came through when it mattered most. He struck in the ninth frame and then collected the mark he needed in the 10th to officially close the door on Campbell and capture the U12 boys title.

“Ryan was a great competitor; he pushed me harder than anyone,” Durflinger said. “But I bowled extremely well during this whole tournament, so I’m really happy with my performance. I didn’t expect to get this far, so I’m super excited about winning. I’m already excited for next year, too.”

It was difficult to tell what emotions Durflinger was experiencing during the match as no matter what transpired, he appeared cool, calm and confident.

It would’ve been very easy for Durflinger to panic after he lost the first game and fell behind Campbell by a sizable margin during the early stages of Game 2, but panic just isn’t in Durflinger’s vocabulary.

Instead, he focused on what changes he could make to see better ball reaction and give himself more room to find the pocket. That approach led to the ball change that got him back into the match and ultimately led to victory.

“A friend of mine had been telling me to make a ball change the whole time, and when I finally listened and decided to make it, I got into a ball that gave me more miss area and a little more luck, and that pulled me through,” Durflinger said.

Thankfully, Durflinger had the luxury of waiting until the second game to make that critical ball change; he didn’t have to win the first game.

That’s because Durflinger entered the stepladder as the U12 boys lone undefeated bowler. As such, Campbell had to top Durflinger twice to win the title in Junior Gold’s true double-elimination format.

Campbell accomplished Step 1 by taking advantage of a late open from Durflinger and throwing a closing four-bagger of his own to win the first game 219-183, but the momentum stopped during Game 2, allowing Durflinger to walk away with the win.

Campbell earned his title bout with Durflinger by defeating Ridgely Potter Jr. of Clearwater, Florida, 213-170 during the semifinals.

Potter led the U12 boys field throughout much of this year’s tournament, but he was never able to lock in on the 1-3 pocket during the TV finals, striking just three times.

He stayed solid and converted most of his spares, but Campbell’s seven-strike performance was simply too much to overcome.

U12 Girls

Sadrianna Erb of Farmington, New York, became the U12 girls national champion by defeating Kennedi Spears of Glen Ellyn, Illinois, 159-141 in

a match that was close throughout.

Erb and Spears matched one another shot for shot in the early going with neither bowler able to open up more than a five-pin lead.

That all changed when Spears opened the seventh, eighth and ninth frames, which allowed Erb to increase her lead to 11 pins heading into the 10th.

Spears came up strong in the 10th frame, however, striking on the first ball and then delivering a closing spare that got her to 141 and forced Erb to mark to capture the title.

Erb knew exactly what she needed when she stepped up on the right lane to bowl the last frame.

After taking a few deep breaths and doing her usual arm-swing exercise, Erb began her approach, but she backed off just a couple steps in after being distracted by something off set.

Refusing to rush the all-important shot, Erb calmly restarted her pre-shot routine. Once ready, she stepped back up on the approach and delivered the strike needed to defeat Spears and claim the U12 girls national title.

“I was doing the math in my head, so I knew what I needed when I got up for the 10th frame,” Erb said. “As I was about to throw my first shot, I thought I heard someone say my name. I’m not sure if they actually did or not, but it got in my head, so I knew I wasn’t going to throw my best shot if I kept going.

“I just decided to start over because I wanted to throw a good shot. Once I saw the 10 pin fall down, all of the pressure melted away because I knew I had done it.”

What Erb did was win a Junior Gold title in just her second tournament appearance. Also, she handled the pressures of bowling on a live broadcast like a seasoned veteran.

“The TV finals were pretty scary, especially at the beginning, but I was able to focus and tune out the distractions better than I expected once the match got going,” Erb said. “I’m glad I did because it feels really good to win.”

Even had Erb failed to come through during the 10th frame, she would’ve gotten a second chance at defeating Spears. That’s because Erb entered the stepladder as the only undefeated bowler in the U12 girls bracket. As such, she needed to be beaten twice in Junior Gold’s true double-elimination format.

Spears earned her place in the title match by defeating Kourtlyn Hopkins of Dickinson, Texas, 202-141 in the semifinals.

The U12 division featured 108 girls and 227 boys at the 2022 Junior Gold Championships.

Teams representing the Lower Great Lakes and Ohio Valley regions took home the titles in the 15-and-under and 12-and-under divisions, respectively, at the 2022 USA Bowling National Championships.

Bowling out of the Lower Great Lakes region in U15, EYT Phenoms earned the title with a thrilling come-from-behind 3-2 win in their best-of-five match over SYC U15 Elite from the South Central region. In U12, it was the Ohio Valley region's DKJ Pro Shop with a 3-0 sweep over the Pin Krushers from the South region.

The championship round featured a four-man Baker format with the lead-off bowler bowling the first, fifth and ninth frames, the second bowler bowling the second, sixth and 10th frames, the third bowler bowling frames three and seven, and the fourth bowler bowling frames four and eight.

Bowling for EYT Phenoms, a team composed of players from the greater Chicago area, were brothers Griffin and Landin Jordan, Gianna Brandolino and Abigail Starkey. Head coach Anthony Jordan and assistant Julie Brandolino guided the team. Comprising SYC U15 Elite were head coach LaShaune Darden, assistant coach Jerry Weems and athletes Daryus Alo, William Cunningham III, Braden McDonough, Matteo Quintero, Kai Strothers and Jos Weems.

SYC U15 Elite got off to a quick start, winning Match 1, 210-205, and capturing Match 2 when anchor bowler Strothers stuck out in the 10th frame for a 217-216 win. That win put SYC U15 Elite one game from the championship.

And with nothing to lose, EYT Phenoms got off the mat by stringing together eight strikes in a row to win Game 3, 255-217. A 4-6-7-8-10 split by SYC U15 Elite in the 10th frame of Game 4 contributed to a 205-194 win by EYT Phenoms and set-up the deciding fifth game.

Game 5 could not have been closer as the teams were separated by one pin heading into the 10th frame. Strothers threw another great shot in the 10th for SYC U15 Elite, but it left a ringing 7 pin. Strothers converted the 7 pin and struck on his final shot. That meant Landin Jordan, bowling anchor for EYT Phenoms, needed a double and one pin in his 10th frame to secure the championship. He promptly struck out for a 233-223 victory.

Despite being the person to throw the winning shots, Landin Jordan stressed the importance of being a true team.

"We're a family and we're together so much," Landin said. "We've developed such close relationships and we know how to hold each other up and get each other going. We know each other's games so well, it's a huge advantage."

The U12 championship match wasn't as dramatic as the U15 finals. DKJ Pro Shop's roster of Miles Gordon, Alexander Hanicak, Donaven Kline, Dawson Kohl and Kinnick Robinson took care of the Pin Krushers, featuring Malique Gardiner, Varion James, Anthon Morlando, Melvin Perry III and Malachi Wilson, in a 3-0 sweep. Dave Kline Jr. served as head coach for DKJ Pro Shop and was assisted by Heath Kohl. Melvin Perry II was head coach for the Pin Krushers.

DKJ Pro Shop got off to a quick start by posting a 256-213 opening game win over the Pin Krushers. Game 2 was even better for DKJ Pro Shop as they shot 278 to the 213 by the Pin Krushers. The sweep was completed with a 190-132 win in Game 3.

"This team had a lot of camaraderie and just didn't give up," DKJ Pro Shop head coach Kline Jr. said. "They just kept plugging along and made my job easy. Threw a lot of strikes and made most of their spares. Our team comes from all over, and it's amazing how good of friends they've become bowling together in this event."

The USA Bowling National Championships featured 11 regions in U12 and 16 in U15. Each team that competed in Grand Rapids earned their spot by winning their region.

It's an event that brings young athletes together from all over the country. When asked what the best part about the tournament was, Kinnick Robinson of DKJ Pro Shop summed it up best.

"The best part is making new friends and pushing hard with my teammates," said Robinson. "Always being there to pick each other up and trying to get the win."

Mission accomplished.

The winners in each of the four age-based divisions at the 2022 Bowling.com Youth Open Championships were announced by the International Bowling Campus Youth Development team.

The 2022 Youth Open Championships, a non-qualifying tournament open to all United States Bowling Congress Youth members, was contested at Spectrum Entertainment Complex in Wyoming, Michigan, and held July 13-31.

Bowlers in the 18-and-under, 15-and-under, 12-and-under and 10-and-under divisions earned more than \$82,000 in scholarship prizes at this year's tournament and won national titles in four-player team, doubles, singles and all-events.

Each discipline featured a scratch and optional handicap division, with 766 bowlers and 162 teams participating in the 2022 edition.

Breaking down the numbers from Spectrum Entertainment Complex, the 2022 tournament was highlighted by a group of young athletes finding success in several events, with 23 players claiming multiple titles. From that group of champions, four recorded victories in three events.

The bowlers claiming three titles were Mackenzie Keane of East Brunswick, New Jersey (U18 Girls Scratch Doubles, U18 Girls Scratch Singles and U18 Girls Scratch All-Events), Courtney Delaney of Rockford, Michigan (U18 Girls Handicap Doubles, U18 Girls Handicap Singles and U18 Girls Handicap All-Events), Jacob Porter of Gainesville, Florida (U18 Team Handicap, U15 Boys Handicap All-Events and U15 Boys Handicap Singles), and Alyssa Randisi of the Brooklyn borough of New York City (U10 Team Handicap, U10 Girls Handicap All-Events and U10 Handicap Doubles).

Additionally, four bowlers managed to keep Youth Open Championships winning streaks intact by claiming victories this year in Michigan.

Katelyn Abigania (U15 Girls Scratch All-Events – 1,912) and Elias O'Hollaren (U15 Scratch Team), both of San Diego, won Youth Open Championships titles for the third year in a row while Sebastian Huffman of Las Vegas and Donaven Kline of Jackson, New Jersey, went one better by finding the winner's circle at the event for the fourth consecutive time.

Huffman kept his streak alive by teaming up with O'Hollaren, Keegan Alexander of Killeen, Texas, and Aidan Furukawa of Sunbury, Ohio, to help him an NFT get to the top of the U15 Scratch Team standings with 2,637.

Alexander and Furukawa also went on to win the U15 Scratch Doubles title with 1,365.

Kline captured two victories to keep his Youth Open Championships run going. He partnered with Dawson Kohl of Dyersville, Iowa, to win U12 Scratch Doubles (1,401), and that helped propel him to the U12 Scratch All-Events crown as well (2,023).

The highest all-events set authored at this year's tournament came in the U18 boys division where Jordan Malott of Austin, Texas, finished with a nine-game total of 2,117, which was good for a 235.22 average.

Malott took home a team title as well, joining Brandon Bohn of Jackson, New Jersey, James Bennett of Huntingtown, Maryland, and Alexander Horton of Douglassville, Pennsylvania, to push Purple Slammer to the top of the U18 Scratch Team standings with 2,701.

Keane wasn't far behind en route to capturing the U18 Girls Scratch All-Events crown. She put up 2,107 (a 234.11 average) thanks to sets of 572, 782 and 753.

Daniel Hong of Fullerton, California, and Luke Switalski of Oak Forest, Illinois, etched their names in the Youth Open Championships record book by authoring perfect games at this year's event.

The perfect game wasn't the only highlight for Hong, who partnered with Nihal Mareedu of Union City, California, to win the U18 Handicap Doubles title with 1,477.

Switalski didn't capture a title at this year's Youth Open Championships as a fourth-place finish in U15 Boys Scratch All-Events (2,033) was his top finish; nonetheless, he made this year's tournament experience memorable by notching not one but two 300 games.

Bowling.com awards a \$100 scholarship to any competitor who rolls a 300 game or 800 series during the Youth Open Championships.

Championship – Castillo def. Warren, 253-201 and 216-169

When it is your day, it is your day.

It certainly was Dino Castillo's day.

As the No. 5 seed in the finals of the 2022 United States Bowling Congress Senior Masters, Castillo, of Highland Village, Texas, ran the ladder to win his first career Professional Bowlers Association 50 Tour title at Sam Town's Bowling Center inside Sam's Town Hotel and Gambling Hall live on BowlTV.com.

A die-hard Cowboys fan who is always repping his favorite team, even with his sock choices, shot games of 300, 257, 255 for 812 in his three games against No. 4 seed Chris Barnes (300-222), No. 3 seed Jack Jurek (257-196) and No. 2 seed Parker Bohn III (255-219) to reach the championship.

In the USBC Senior Masters format, No. 1 seed Chris Warren, who came into the stepladder undefeated in the tournament, had to be beaten twice to lose the tournament.

Warren had the best look all week, but Castillo had just come off averaging nearly 271 with his Black Widow Ghost, a ball that he switched to late in the day to get to the show, because he needed a different shape and more importantly, needed to start striking in bunches.

That he did. To do it against some of the best players in the world, including hall of famers, Castillo said was a dream.

"It almost feels like a blur, because I had five matches to bowl," Castillo said. "Someone was having trouble coughing and so that kind of took the pressure off, because it became a joke to me."

At that point, knowing he was lined up, Castillo was loose and just needed to repeat shots. Having a bunch of miss room helped, too.

"The only way I could beat Chris and Jack was to get them off their spot," Castillo said. "My look was not very good on the fresh, so I talked to Shawn Maldonado last night, and he said that is what I need to do."

Castillo took his Black Widow Ghost, sanded it up at 360 and 240 and took the approach of trying not to bowl bad and getting his opponents off of their line.

He did that.

"What I didn't know was that I was going to be able to create an unbelievable reaction for myself," Castillo said.

Castillo defeated Warren, the 2018 Senior Masters champion, by scores of 253-201 and 216-169 to win the 2022 event. He finished with 1,281 pins knocked down in the stepladder.

Castillo stopped trying to win on the regular tour after making some shows in his first five years, but as a rookie on the PBA50 Tour this year, he has been as motivated and as focused as ever to win.

Ball rep Jeff Johnson said entering the stepladder finals, he could tell Castillo was there to win.

"I am a good reader of body language, and I knew it was a Dino day," Johnson said.

It certainly was a Dino day.

Castillo was not only able to get his opponents off their spot, but besides avoiding trouble, he was able to create so much miss room that even on shots that he missed right, the ball got back to the pocket, because of the ball he was using, his hand, the tricks he has and his rev rate, which is higher compared to most players on the senior tour.

He said he wasn't really thinking about what his score was for a set of games, but after the fact, that was a different story.

"But now that I know, holy crap I shot 812, that's amazing," he said.

Castillo said he could have never dreamed of winning the Senior Masters because of the format and how tough it is.

"I knew it was going to come, but this is the last tournament I would have expected to get," Castillo said. "It's just a dream I never thought I would have."

Now it's a reality.

Castillo collected the top prize of \$20,000 with the win, while Warren took home \$12,000 for the runner-up finish.

The 2022 Senior Masters started with 261 players competing in three five-game qualifying blocks to determine the top 63 players joining defending champion Tom Hess of Granger, Iowa, in the double-elimination bracket.

Hess was guaranteed a spot in the bracket as the defending champion and finished the 2022 event tied for ninth place.

All bracket matches leading up to the stepladder featured a three-game total-pinfall format.

Championship – Woessner def. Sandelin, 238-223

Jodi Woessner of Oregon, Ohio, had been waiting two years to make her debut at the United States Bowling Congress Senior Queens by the time she laced up for the first day of the 2022 event, and she capped a dominating performance by claiming the title at the Gold Coast Hotel and Casino.

Woessner recorded the win with an exciting 238-223 victory over USBC Hall of Famer Lucy Sandelin of Tampa, Florida, to collect the tiara awarded to the champion and \$8,000 top prize. Sandelin earned \$6,000 for the runner-up finish.

All rounds of competition from the Gold Coast Bowling Center were broadcast live at BowlTV.com.

As the only undefeated player from the tournament's double-elimination bracket, Woessner earned the top seed for the stepladder and would've had to lose twice in the finals to be denied the title.

The back-and-forth championship match included four strikes in the first five frames for both competitors, but Sandelin benefited from crossover strikes in the second and fourth frames on the right lane.

The three-time USBC Senior Queens champion made the adjustment to get to the pocket in the sixth frame, but she left a 5-7 split she was unable to convert, giving the advantage to Woessner.

Sandelin bounced back with three consecutive strikes after the split, but Woessner stepped up in the ninth frame with the chance to lock her out after rolling six strikes in her first eight frames.

A 2 pin in the ninth from Woessner meant Sandelin would have the chance to win the first game, but three strikes in the 10th from Woessner forced Sandelin to record two strikes and four pins to extend the championship to a second game.

Sandelin left a 4 pin on her first delivery to seal the victory for Woessner.

"I put it all out there," said Woessner. "I did what I needed to do to force her to double, but I fully expected her to do so because she's an amazing bowler. This win means a ton. I really bared down and am very proud of what I fought through to execute."

Woessner averaged more than 225 over 31 games through qualifying, match play and the stepladder on the event's 41-foot oil pattern, and she had been on top of her moves during the entire week at Gold Coast.

In the title match, she elected to use a different bowling ball on each lane, which allowed her to attack both lanes in the same area.

She had bowled on the same pair against Sandelin in the match to determine the top seed earlier in the day and had seen early hook on the left lane. She earned the No. 1 seed with a 698-586 win.

"I saw how they broke down in that match, and the left lane ended up hooking really early," Woessner said. "I figured with all the bowling on that pair (in the stepladder), I needed to throw something cleaner on that lane. When I tried the same ball on the right lane, it didn't pick up as much, so I used a different ball to be able to stand in the same place. I felt like that was the thing to do from what I saw."

Woessner was eligible to compete in the 2020 Senior Queens, an event for the top female USBC members age 50 and older, but her first appearance had to wait until this week due to the COVID-19 pandemic forcing the cancellation of the 2020 and 2021 editions..

"It's a long time coming," Woessner said. "I didn't want to get ahead of myself by saying I lost out on my first two years of being able to compete and have to make the most of this one. I didn't want to put any extra pressure on myself, either. In practice, I felt like I had a good look, so it all kind of started clicking. I think I did a really good job of controlling my heart rate and breathing, and I was able to make it happen."

Sandelin was looking for a record-breaking fourth Senior Queens title. She previously had captured wins at the 2007, 2013 and 2017 events, and her win in 2017 tied her with fellow USBC Hall of

Famers Sandra Postma and Robin Romeo with three victories at the tournament.

She earned a return trip to the title match after making a late ball change in her semifinal victory over April Lord-Wittig of Steilacoom, Washington.

Sandelin was clean through the first six frames, but she had not recorded a double. She switched to a different ball in the seventh frame, resulting in three consecutive strikes to take the lead. A nine-count on her first delivery in the 10th frame secured the win, 218-198.

Lord-Wittig advanced to the semifinals with a 192-161 win over 2018 champion Tish Johnson of Colorado Springs, Colorado.

Lord-Wittig avoided trouble on the way to the victory over the USBC and Professional Women's Bowling Association Hall of Famer, who opened four times in the first eight frames.

In the first match of the stepladder, Lord-Wittig started with four consecutive strikes on her way to a 213-189 win over Ann Coleman of Fairborn, Ohio.

All competitors at the 2022 Senior Queens bowled 15 games of qualifying over two days to determine the top 32 players advancing to the bracket. Defending champion Jeanne Naccarato of Tacoma, Washington, would have been guaranteed a position in the bracket but did not compete in this year's event.

Advancers bowled two days of match play to determine the five athletes for the stepladder finals. All bracket matches leading up to the stepladder were three games, with total pinfall determining who advances.

The final three earned their way into the finals by battling through the Elimination Bracket and then surviving a four-bowler, three-game shootout. The top three advanced to the stepladder and were ranked based on their series totals.

Johnson earned the No. 3 seed with a 684 set, while Coleman and Lord-Wittig advanced to the first match of the stepladder with totals of 607 and 572, respectively.

Carmen Aguilar of St. Petersburg, Florida, was fourth in the shootout with a 561 series and was eliminated, finishing in sixth place.

Match No. 1: McCordic def. Vernon, 216-168
 Semifinal: Mohr def. McCordic, 259-192
 Final: Mohr def. Boesch, 222-213

Ron Mohr delivered a clutch double in the 10th frame of the title match at the 2022 Super Senior Classic to become the first player to win the event for United States Bowling Congress members age 60 and over multiple times.

Mohr needed two strikes and one pin in the final frame to claim the title over USBC Hall of Famer Lennie Boesch Jr. of Kenosha, Wisconsin, at the Sam’s Town Bowling Center. Mohr rolled the necessary double and knocked over nine pins on his fill ball for a 222-213 victory and the \$7,500 top prize.

The right-hander from Las Vegas has been a staple in the stepladder at the Super Senior Classic since becoming age-eligible for the event in 2016. To go along with his win in 2017, he has collected a pair of runner-up finishes (2016, 2021) and finished tied for fifth place in 2018 and 2019.

The tournament, which made its debut in 2013, had seen a new winner in each edition prior to Mohr’s win.

“I know time wins,” said Mohr. “That’s the one thing that’s a given. I’m 66 years old now. How long can I compete at this level? I don’t know, but every time you do, it’s encouraging.

“What concerned me before – did I still have the fire and passion? The analogy is when you’re at the top of the hill, the view is really good. When you come down a level or two, it’s still pretty good, but do you want to work that hard again to get back to the top or are you pretty happy with your resume? Watching Walter (Ray Williams Jr.)

and Parker (Bohn III) and those guys and seeing how much they still want to win and what it means to them, it was great for me to feel that passion and fire again. More than that, I just want to have fun. I really enjoyed the stepladder today. Just to have the opportunity is as good as it gets.”

Mohr found himself down early in the final against Boesch, who had earned the top seed Saturday. Mohr left a 4-6-10 split in the second frame he was unable to convert, and Boesch started with a double and strikes in five of his first seven frames.

“I think naturally my ball speed is too high for my rev rate, so it’s a conscious battle for me to keep my speed down so it will match up better,” Mohr said. “It surprised me how much it hooked. I didn’t feel like I was that slow, so maybe it broke down a little bit since Lennie was closer to me than the other guys. I made a two-and-zero left and was able to refine it after that, settle down and get the ball speed back down.”

The match tightened up in the eighth frame, when Boesch opened after leaving a 3-4-6-10 split. Mohr, who had left three consecutive 10 pins, starting in the sixth frame, rolled a strike in the ninth frame to set up the dramatic finish.

Boesch left and converted a 10 pin in the ninth frame, but he was able to roll three strikes in the final frame to put Mohr in a position to double to win.

“In the ninth, I just wanted to give myself a chance,” Mohr said. “If I strike there, I couldn’t be shut out, so it’s in my hands. I was fortunate for a trip 4 (pin) to start the 10th, and I was really pleased with the way I threw the one in the 11th. I was on the tighter lane, so I wanted to make sure I just got it and threw it right. I threw it really well and liked it at 45 feet, and fortunately it rolled up and struck.”

Mohr, the No. 2 seed, earned his spot in the championship match with a 259-192 victory over Pete McCordic of Katy, Texas, in the semifinal. Mohr rolled seven consecutive strikes, starting in the fourth frame, on his way to the win.

McCordic managed a 216-168 win in the opening match of the stepladder against Mitch Vernon of Olympia, Washington. McCordic built an early lead and never looked back as Vernon had back-to-back splits in the second and third frames.

SUPER SENIOR CLASSIC

Before the stepladder got underway, the final two spots were determined through simultaneous group stepladders, with McCordic and Vernon each winning a pair of matches to advance to the finals.

McCordic averaged more than 265 to advance out of Group A, starting with eight consecutive strikes in his first match against Eric Forkel of Henderson, Nevada, on the way to a 267-175 victory.

He started with seven consecutive strikes against Tom Adcock of Forsyth, Illinois, in the Group A final and rolled a strike on his first delivery in the 10th frame, followed by a nine count on his second shot, to lock up a 268-266 win to move to the main stepladder.

Vernon started his path to the main stepladder with a 236-215 win over Jon DeLaney of McKinney, Texas.

He bounced back from back-to-back opens to start the Group B final against defending champion and USBC and Professional Bowlers Association Hall of Famer Amleto Monacelli of Venezuela to advance with a 195-181 win.

The 173-player field at the 2022 Super Senior Classic bowled 12 games over two days to determine the 44 bowlers advancing to the Cashers' Round, based on total pinfall. The Cashers' Round consisted of six additional games, with the top 12 advancing to the match-play portion of the event.

The match-play finalists were split into two groups for six games of round-robin competition, with the top finisher in each group earning an automatic spot in the stepladder based on 24-game totals, including 30 bonus pins for each victory in match play. Boersch earned the top seed by having the highest overall total.

The second, third and fourth seeds from each group advanced to the group stepladders.

A dozen national titlists were determined at Executive Strike and Spare with the conclusion of the 2022 United States Bowling Congress Senior Championships.

The USBC Senior Championships is a national event that welcomes bowlers from the United States and Canada who earned their spot through either a state or province senior tournament.

The 2022 edition of the tournament kicked off with the first of two three-game qualifying blocks for the nearly 370 bowlers competing across two divisions – Mixed and Women's – and six age-based classifications – 50-54, 55-59, 60-64, 65-69, 70-74 and 75 and older.

At the conclusion of six games, the top six scores in each division, including handicap, advanced to the championship round at Executive Strike and Spare.

Qualifying totals were dropped to start the championship round in each division and classification, but the advancers received bonus pins based on their qualifying position. The top qualifier received 50 bonus pins, and the bonus total dropped 10 pins for each spot (second qualifier received 40 bonus pins, third qualifier received 30 bonus pins).

In the Women's division, Illinois' Dawn Trodler came from the No. 3 seed to record the victory in the 50-54 classification, finishing with a 727 total.

In 55-59, Ohio's Kris Kunkel saved her best game for last and edged Mary Berkenstock of British Columbia by four pins for the win, 742-738.

Alaska's Susan Polis posted a total of 798, including handicap and bonus pins, to win the 60-64 classification. Polis entered with a 139 average.

Indiana's Shirley Arnett made her way to the winner's circle as the No. 5 qualifier in 65-69. Arnett finished with a 728 total to defeat Georgia's Wilma McPherson by eight pins.

Linda Lewis of Utah finished at the top of the leaderboard in 70-74, posting three games over her entering average of 129 to claim the win with a 704 total.

In the 75 and older classification in the Women's division, Maryland's Iris Mitchell earned the title with a 694 score.

Looking at the Mixed division, Manitoba's Villarico Villarín rolled to a big win as the top qualifier in the 50-54 classification, finishing with a 786 total.

In 55-59, Richard Aderholdt of North Carolina put together three games above 200 for a 655 scratch total, bringing his overall score to 761 as the No. 5 qualifier to record the victory.

Michigan's Anthony Grochowalski posted games of 256, 245 and 210 for a 711 scratch set in 60-64, and his 50 bonus pins as the top qualifier helped him to a five-pin win over Kansas' Dale Legleiter, 761-756.

Arkansas' Robert Hall fired 267 in his second game of the finals in 65-69, which helped propel him to the top of the standings as the No. 1 qualifier with a 774 score.

Ed Cook of South Carolina put up the top overall score in the finals at the 2022 Senior Championships, finishing with an 801 total to collect the win in the 70-74 classification.

New Mexico's Abe Jaramillo recorded the win in the 75 and older classification, finishing nearly 100 pins (scratch) over his entering average of 123 to take home the victory with an overall score of 756.

Each winner collected between \$600-\$700, based on the number of entries in each classification, from a prize fund of \$40,000.

Delegates elected three board members and voted on one legislative proposal at the 2022 United States Bowling Congress Convention and Annual Meeting, which concluded April 28 at The Orleans Hotel & Casino.

The ballot for the USBC Board election had five candidates slated by the USBC Nominating Committee – Brandon Bowman of Mukilteo, Washington; Anthony Colangelo of Meridian, Idaho; Bo Goergen of Sanford, Michigan; Melissa McDaniel of Raleigh, North Carolina; and Cheryl Younger of Leavenworth, Kansas.

On the first ballot, incumbents McDaniel (580 votes), Goergen (397 votes) and Colangelo (396 votes) were reelected, with Younger receiving 346 votes and Bowman receiving 340 votes. A candidate had to receive a majority of votes from the 701 votes cast to be elected.

Team USA athletes reelected Andrew Anderson of Holly, Michigan, to a second term and elected Sydney Brummett of Fort Wayne, Indiana.

The newly elected board members began their three-year terms Aug. 1, 2022.

The USBC Board of Directors reelected McDaniel to serve a second two-year term as president. Dennis Hacker of Longtown, Missouri, was elected to his first two-year term as vice president.

Angel Metsch of Statesville, North Carolina, is joining the International Bowling Campus Youth Committee, which also returns current members Chrissie Kent of Newark, New York, and Christopher Floyd of Lockport, Louisiana.

In addition to the board elections, delegates voted on one proposed bylaw amendment. Delegates rejected a bylaw proposal to allow remote electronic voting for future USBC Annual Meetings.

Indiana State USBC was awarded the Association Excellence Award at the event. Hacker, the USBC Awards Committee chair, surprised the Indiana State USBC delegates as part of the USBC Convention awards ceremony.

The presentation of national awards, including the Alberta E. Crowe Star of Tomorrow Award to Lara Kurt of Leland, North Carolina, and the Chuck Hall Star of Tomorrow Award to Spencer Robarge of Springfield, Missouri, also took place.

McDaniel and USBC Executive Director Chad Murphy presented their annual reports, and delegates heard reports from the USBC Strategic Planning Committee and from International Bowling Campus Youth Development.

During Convention week, delegates attended a variety of educational seminars. The agenda also featured presentations from USBC charity partners Bowlers to Veterans Link (BVL), which provides recreational and therapeutic programs and services to America's active duty and veteran service men and women, and Bowl for the Cure®, the year-round fundraising initiative sponsored by USBC in partnership with Susan G. Komen®.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The United States Bowling Congress, Inc. (USBC) was incorporated on June 3, 2004 in the state of Wisconsin for the purposes of developing interest and participation in the sport of bowling by overseeing competition and providing programs and services to its membership. USBC also administers a scholarship program, overseen by the SMART Oversight Committee established by USBC in 2021. USBC's revenues are derived primarily from membership dues and tournament entry fees, as well as investment returns as part of administering the scholarship program. The following footnotes report information for the years ended December 31, 2022 and 2021. Significant accounting policies followed by USBC are presented below.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash Equivalents

USBC considers all liquid investments with a maturity of three months or less when purchased to be cash equivalents.

Accounts Receivable

Accounts receivable are uncollateralized obligations. Accounts receivable are stated at the invoice amount. Payments of accounts receivable are applied to the specific invoices identified on the remittance advice or, if unspecified, to the earliest unpaid invoices or unfunded scholarships.

The carrying amount of accounts receivable is reduced by a valuation allowance that reflects management's best estimate of amounts that will not be collected. The allowance for doubtful accounts is based on a calculated percentage of sales. If there is a deterioration of credit worthiness, or actual defaults are higher than the historical experience, management's estimates of recoverability of amounts due to USBC could be adversely affected. All accounts or portions thereof deemed to be uncollectible or to require an excessive collection cost are written off to the allowance for doubtful accounts. The allowance for doubtful accounts was \$1,300 at December 31, 2022 and 2021.

Inventory

Inventory consists of resale merchandise and awards and is valued at the lower of cost or net realizable value with cost determined on a first-in, first-out (FIFO) basis.

DECEMBER 31, 2022 AND 2021

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments

Investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses on investments are included in the statements of activities as net investment return.

Risks and Uncertainties

USBC utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect USBC's account balances and the amounts reported in the financial statements.

Investment in International Bowling Campus, LLC

USBC owns a 50% interest in International Bowling Campus, LLC (IBC). The investment is accounted for using the equity method. Under the equity method, the investment is carried at cost, adjusted for USBC's proportionate share of undistributed earnings or losses, and capital contributions and distributions.

Property and Equipment

Property and equipment over \$5,000 with a useful life three years or more are stated at cost and depreciated on the straight-line method over their estimated useful lives, which range from 3 to 20 years.

Maintenance, repairs, and replacements are generally included as expenses of operations during the year in which the expense is incurred. Cost of replacements, which constitute improvements or extend the life of the respective assets, are recorded as additions to property and equipment.

Impairment of Long-Lived Assets

USBC reviews long-lived assets for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of carrying amount or fair value less costs to sell.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases

USBC determines if an arrangement is a lease at inception. Operating leases are included in right-of-use (ROU) assets – operating and lease liability – operating, and finance leases are included in right-of-use (ROU) assets – financing and lease liability – financing in the statement of financial position.

ROU assets represent USBC's right to use an underlying asset for the lease term, and lease liabilities represent USBC's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. Lease terms may include options to extend or terminate the lease when it is reasonably certain that USBC will exercise that option. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term. USBC has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or right of use assets on the statement of financial position.

The individual lease contracts do not provide information about the discount rate implicit in the lease. Therefore, USBC has elected to use a risk-free discount rate determined using a period comparable with that of the lease term for computing the present value of all lease liabilities.

USBC has elected not to separate nonlease components from lease components and instead accounts for each separate lease component and the nonlease component as a single lease component.

Net Assets

Net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. However, donor-restricted contributions whose restrictions are met during the same year are directly reported as increases in net assets without donor restrictions. The net assets of USBC and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve.

Net Assets With Donor Restrictions – Those resources subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, which will be satisfied by actions of USBC or the passage of time. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. USBC does not have any net assets held in perpetuity as of December 31, 2022 and 2021.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Goodwill

Goodwill is recorded when the cost of acquired businesses exceed the fair value of the identifiable net assets acquired. USBC has elected to amortize goodwill over an estimated useful life of 10 years.

Scholarship Awards Payable

USBC administers a scholarship program for the bowling community known as Scholarship Management and Accounting Reports for Tenpins (SMART) Program. USBC collects, manages, and disburses scholarship funds for youth bowling scholarships. A scholarship awards payable is recorded for payments received. USBC effectively acts as an agent for these funds. Investment income is used to pay the administrative costs of operating the program. Investment income in excess of these administrative costs may be allocated to the accounts of the provider organizations. As of the year-end, the SMART program reflects a deficit of \$8,128,078. On an annual basis since 2021 USBC has engaged a third-party to perform an actuarial study of the redemption of the scholarship liability. The 2022 study found that of the \$93,697,107 in scholarship liability, 41.80% or \$39,165,390 will be requested by awardees at December 31, 2022. The cash and investment balance is greater than the actuarial redemption value of the scholarship liability.

Revenue Recognition

Revenue is recognized when performance obligations are met. Membership dues are recognized ratably over the period of membership. Unearned membership revenue is reflected as deferred revenue on the statements of financial position. Workshops and Seminars, Special Events, Booths, and Concessions, Tournament Entry and Prize Fees, Tournament and Conventions Subsidy, Brackets, and Advertising are recognized when the events are held. Tournament entry fees are collected in advance, resulting in deferred revenue (contract liability) on the statements of financial position. Royalty revenue is recognized quarterly based on use of preferred service providers and merchandise sales. Sponsorship revenue is recognized ratably over the sponsorship period. Bowlers Journal and BowlTV subscription revenue is recognized ratably over the subscription period, which provides access to either BowlTV or the Bowlers Journal.

Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met.

Deferred Revenue

National tournaments consist of tournament subsidies and tournament entry fees. These amounts are recognized as revenue in the period in which the event is held or the related expenses are incurred.

Membership dues are recognized in the fiscal year in which the individual receives the privileges that membership offers.

Revenue Recognition (Continued)

Deferred Revenue (Continued)

BowlTV subscriptions are recognized over the course of time which aligns with the individual subscription periods.

Bowlers Journal subscriptions are recognized over the course of time which aligns with the individual subscription periods.

Advertising

USBC expenses advertising costs as they are incurred.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a natural basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The expenses that are allocated include salaries, fringe benefits, employee recruitment and training, professional services, supplies, awards, postage and freight, facilities, equipment maintenance and repairs, printing, promotion, sponsorships, and programs, travel, insurance, contributions, and miscellaneous expenses, which are allocated on the basis of estimates of time and effort.

Income Tax Status

The Internal Revenue Service (IRS) has issued a determination letter dated October 5, 2004, granting USBC an exemption from federal income tax under IRS Code Section 501(c)(3). However, income received from certain activities is subject to income tax as unrelated business income. No income tax expense has been recorded in the financial statements as cumulative unrelated business net operating loss carryforwards would offset any current tax liability. In addition, a 100% valuation allowance has been provided against the deferred tax asset resulting from the net operating loss carryforwards. Management is not aware of any items that could cause revocation of the tax-exempt status.

Reclassification

Certain items in the 2021 financial statements have been reclassified, with no effect on previously reported net assets and changes in net assets, to conform with the current year presentation.

Accounting Standards Update

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-02, *Leases (Topic 842)*. This new standard increases transparency and comparability among USBCs by requiring the recognition of right-of-use (ROU) assets and lease liabilities on the statement of financial position. Most prominent among the changes in the standard is the recognition of ROU assets and lease liabilities by lessees for those leases classified as operating leases. Under the standard, disclosures are required to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases.

USBC adopted the requirements of the guidance effective January 1, 2022 and has elected to apply the provisions of this standard to the beginning of the period of adoption, while continuing to present the comparative period in accordance with the guidance under the lease standard in effect during that period.

USBC has elected to adopt the package of practical expedients available in the year of adoption. USBC has elected to adopt the available practical expedient to use hindsight in determining the lease term and in assessing impairment of USBC's ROU assets.

NOTE 2 SMART MUTUAL TERMINATION AGREEMENT

On January 14, 2021, SMART Bowling Scholarship Funding Corporation (SMART) and USBC entered a Mutual Termination Agreement to terminate the March 23, 2010 Agreement (Initial Agreement) between the parties. On January 15, 2021, the initial Agreement was terminated, and SMART was subsequently dissolved. All of SMART's assets and liabilities were assumed by USBC. USBC subsequently established the SMART Oversight Committee to oversee the SMART operations as a program of USBC.

In connection with the Mutual Termination Agreement, USBC received the following assets and assumed the following liabilities during the year ended December 31, 2021:

Assets:

| | |
|----------------------------|----------------------|
| Cash and Cash Equivalents | \$ 850,527 |
| Accounts Receivable | 127,386 |
| Interest Income Receivable | 191,982 |

| Total Assets | <u>\$ 97,150,500</u> |

Liabilities:

| | |

| Accounts Payable | \$ 63,682 |
| Scholarship Awards Payable | 78,908,504 |
| Total Assets | <u>\$ 78,972,186</u> |

**UNITED STATES BOWLING CONGRESS, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 2 SMART MUTUAL TERMINATION AGREEMENT (CONTINUED)

USBC recognized the \$18,178,314 excess of assets received over liabilities assumed as an in-kind contribution. This amount is presented as “net assets obtained from SMART mutual termination agreement” on the statement of activities for the year ended December 31, 2021.

NOTE 3 LIQUIDITY AND AVAILABILITY

USBC’s liquidity goal is to have sufficient assets available to meet operational expenditures for a nine-month period. USBC regularly reviews the liquidity required to meet the ongoing needs for membership, governance, research, and the services needed to support those functions. Various forms of funds are available which include cash, marketable investment securities, expected collections of receivables, and a commercial line of credit (see Note 14).

For the purpose of analyzing available resources, USBC reviews assets not covered by donor restrictions or restricted for future use. USBC also excludes assets related to the SMART program from their liquidity and availability calculation, which are overseen by the SMART Oversight Committee and designated for the ongoing needs of administering a scholarship program for the bowling community and the other services needed to support that function. As of December 31, 2022 and 2021, the following financial assets could readily be made available within one year of the statement of financial position date to meet general expenditures:

| | <u>2022</u> | <u>2021</u> |
|---|----------------------|----------------------|
| Cash and Cash Equivalents | \$ 18,774,591 | \$ 16,576,316 |

| Less Board-Designated Reserve | <u>(12,784,042)</u> | <u>(14,146,613)</u> |
| Financial Assets Available to Meet General Expenditures Within One Year | <u>\$ 29,284,949</u> | <u>\$ 26,788,120</u> |

USBC maintains the investments above in investment vehicles that allow access to these funds for satisfaction of current liabilities.

USBC’s Board Designated Reserve consists of investments internally designated for specific purposes. Although USBC does not intend to spend this board-designated reserve within the next year, these amounts could be made available if necessary.

In addition to financial assets available to meet operational expenditures, USBC operates with a balanced budget to ensure that the entity can meet current and future obligations. USBC believes that future revenues will be sufficient to cover expenditures without materially impacting the entity’s liquidity.

NOTE 5 FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 5 FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value.

Equities: Valued based on the closing price reported in the active market in which the individual security is traded.

Bonds and Certificates of Deposit: Valued with an institutional bid evaluation or an institutional mid evaluation. A bid evaluation is an estimated price at which a dealer would pay for a security (typically in an institutional round lot). A mid evaluation is the average of the estimated price at which a dealer would sell a security and the estimated price at which a dealer would pay for a security (typically in an institutional round lot). Oftentimes, these evaluations are based on proprietary models which pricing vendors establish for these purposes. In some cases, there may be manual sources used when primary price vendors do not supply prices.

Mutual Funds and Exchange-Traded Funds: Valued based on quoted market prices, which represent the net asset value (NAV) of shares held by USBC at year-end.

Hedge Fund: Valued based on the NAV per unit (or its equivalent) based upon the fair value of the underlying investments. NAV is used as a practical expedient to estimate fair value. The investment strategy of the hedge fund is to maximize long-term total return, consistent with prudent investment management. The fund seeks to achieve its objective by investing in at least 70% in other commingled investment vehicles, in investment grade debt and fixed income securities rated at the time of purchase at least Baa3 or BBB- by a nationally recognized rating agency. USBC has no additional committed capital obligations.

Limited Partnerships: As part of the SMART mutual termination agreement USBC became a partner in four limited partnerships. The limited partnerships are valued at an amount equal to the ownership interest in the partners' capital, NAV, used as a practical expedient to estimate fair value. Two partnerships have a 10-year term after final closing, subject to two two-year extensions at the election of the General Partner. The investment strategy of these two limited partnerships is to achieve attractive risk-adjusted returns relative to more liquid fixed income alternatives, with an emphasis on current income and preservation of capital. The fund seeks to achieve its objective primarily by investing in senior secured, floating rate middle market loans, through wholly and partially owned holding companies and other investment vehicles.

One partnership will continue until July 31, 2031, subject to three one-year extensions at the election of the General Partner. The investment strategy of this limited partnership is to generate significant returns principally through long-term capital appreciation, by making, holding and disposing of privately negotiated equity and equity related investments in venture capital and private equity partnerships and operating companies, primarily in the healthcare, information technology, communications, and digital asset industries.

UNITED STATES BOWLING CONGRESS, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 5 FAIR VALUE MEASUREMENTS (CONTINUED)

The last partnership is open-ended, allowing USBC to withdraw or submit a repurchase request at the end of the 3-year quarter date. The investment strategy of this limited partnership is to net 8%-10% yields through long-term leases on investments in long-lived, capital-intensive transportation assets (aircraft, rail, maritime, vehicles, equipment and energy logistics).

In each limited partnership, USBC may not sell, assign, or transfer its interest except with prior written consent of the General Partner. Withdrawals of capital are not permitted except in limited instances.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while USBC believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, USBC's assets at fair value as of December 31:

| | 2022 | | | Total |

NOTE 17 PAYCHECK PROTECTION PROGRAM LOAN FORGIVENESS

In January 2021, USBC received proceeds in the amount of \$1,614,700 from Frost Bank to fund payroll, rent, utilities, and interest on mortgages and existing debt through the Paycheck Protection Program (Second PPP Loan). The Second PPP Loan bears interest at a fixed rate of 1.0% per annum, has a term of five years, and is unsecured and guaranteed by the U.S. Small Business Administration (SBA). Payment of principal and interest is deferred until the date on which the amount of forgiveness is remitted by the SBA to the lender or, if the USBC fails to apply for forgiveness within 10 months after the covered period, then payment of principal and interest shall begin on that date. These amounts are subject to forgiveness based on compliance with program requirements and approval by the SBA.

The Second PPP Loan was forgiven by the SBA on December 20, 2021. Therefore, USBC was legally released from the debt and the loan forgiveness has been recognized as a contribution on the statement of activities during the year ended December 31, 2021.

The SBA may review funding eligibility and usage of funds for compliance with program requirements based on dollar thresholds and other factors. The amount of liability, if any, from potential noncompliance cannot be determined with certainty; however, management is of the opinion that any review will not have a material adverse impact on USBC's financial position.
