Bowlers who do not pay their entry fees by April 26, 2024, will lose their spots in the field, and the spot will be awarded to the PTQ or the next PWBA member on the PTQ list.

Any bowler wishing to compete in the U.S. Women's Open must enter the PTQ (see information under format). PTQ field size is determined by lane availability.

4. What is the PTQ format, field size and cost?

- The pre-tournament qualifier will feature one eight-game block with total pins determining finishing position and qualification into the U.S. Women's Open.
 - Maximum field is 108 bowlers.
 - Entry fee is \$500.
 - Players not making the field for the U. S. Women's Open will be returned half of their entry fee upon the completion of the qualifier. The remainder will be placed in the U.S. Open prize fund.

5. Why is there a SafeSport requirement for any participant over 18?

As the National Governing Body (NGB) for the sport of bowling and to improve athlete safety across the U.S. Olympic & Paralympic Committee's efforts (USOPC), requiring those over 18 to complete SafeSport training improves the mission of ensuring a culture of safety through awareness, education and training programs. It all is part of helping to protect everyone involved.

*Note: Any competitor who will be 18 years of age or older as of the completion of the 2024 U.S. Women's Open will be required to be current with SafeSport training prior to registering for the event.

6. What does it mean to be current with SafeSport training? How long do I have to complete my training?

To be current with SafeSport training, one needs to have completed either the initial core SafeSport Training module or one of the refresher courses since June 18, 2023. Those who have taken a training class since then can register for the U.S. Women's Open. Training only needs to be completed once, and SafeSport Refresher Training, which takes approximately 30 minutes, must be completed annually thereafter.

Visit [BOWL.com/RVP](https://www.bowl.com/RVP) for information.

SafeSport must be completed by April 26, 2024, or the competitor will lose her spot in the field.

9. Will the 2024 U.S. Women's Open be livestreamed?

Yes. Livestreaming of the event will be on BowITV.

10. Can I get a refund if I have registered and choose not to bowl?

Yes. The following guidelines will be used for issuing refunds:

- A refund will be given, less \$50 cancellation fee, to a bowler who withdraws prior to the start of the first official practice session.
