 - a. One complete game shall be bowled on a neutral pair, selected by the tournament director, following the final block of qualifying.
 - 1) The bowler with the highest qualifying block chooses the starting lane, and the bowler on the odd lane will start.
 - 2) Bowlers shall have 10 minutes of practice.
 - b. If a tie still exists at the end of the game, a one-ball roll-off will be bowled on the same pair of lanes to break the tie, with each bowler starting on the lane where they finished the match. Should a tie exist after the first ball and/or subsequent balls, the bowlers will continue to switch lanes until the tie is broken. The bowler on the odd lane will start.
 - c. Roll-Off Deadline - Any competitor scheduled for a roll-off who is not in the host center within 30 minutes of the announcement of the tie will be disqualified from the roll-off.
 4. In the event of a tie for any other position, ties shall be broken in the following order:

 2. Each non-stepladder match will consist of three games. Total pinfall shall determine the winner. Stepladder finals matches will be one game.
 3. In the event of a tie during any match, all tied competitors will compete in a one-ball roll-off. The highest-seeded competitor shall determine starting lane and position for the roll-off. The next-highest seed shall select their position, and so on, until all positions are

determined. The competitors shall bowl on the same lane, and then alternate lanes in the same bowling order, until the tie is broken.

The first two matches (double elimination) for that seed would be forfeited, with the opponent still having to bowl the three games to advance.
8. Bowlers arriving late for their matches in any round will bowl beginning with the frame then being bowled by their opponent. Failure to appear, regardless of cause, will constitute a forfeiture of the match. The opponent still must bowl his/her three games to advance to the next round. A pacer, if available, will be allowed.

3. Any tie for positions No. 3 – No. 4 – No. 5 will require a one-ball roll-off. Should a tie still exist, a one-ball roll-off will continue until the tie is broken.
4. Position No. 5 and No. 4 will bowl a one-game match, and that winner will bowl against No. 3 and so on, until all bowlers have bowled.
