### **Treasurer Duties**

1. Work with the president to get an account set up in the name of the league with two signatures.
2. Make deposits within seven days.
3. Make sure bowlers are current in league fees.
4. Complete a financial statement at the end of the season.
5. Two members of an immediate family cannot serve as president or vice president and secretary-treasurer or treasurer of the same league or cosign for withdrawals from a league account even if they do not reside in the same household.

### **Treasurer absences**

When the league treasurer or secretary-treasurer is absent, another officer must collect league funds and either deposit them themselves or personally deliver the funds to the treasurer. Teammates, family members and friends who are not covered by the policies of insurance are not permitted to handle league funds.

### **League finances**

We cannot stress enough how important it is to follow the rules and procedures for league finances. League funds must be deposited within seven (7) days of receipt. The president must do the math monthly to [verify the league account](#) has the correct amount of money on deposit. [Learn more about league finances.](#) In nearly every case where league funds are found to be missing, the league president has not verified the monthly deposit figures either due to their negligence or due in part to obstruction by the league treasurer to providing the league's financial information.

### **League account tools**

Many banking institutions require an Employee Identification Number (EIN) to open an account for a league. An EIN can be obtained from the Internal Revenue Service (IRS). USBC has created [a guide to assist you in obtaining an EIN.](#)

Using in-center banking? Check out the [In-Center Banking Agreement.](#)

As a league benefit, Bonding and Burglary insurance is available. For more information about bonding, click [here.](#)

### **Adult leagues that allow minors to participate**

Adult leagues allowing USBC youth members 18 or younger to participate must be certified as an adult/youth league, must comply with USBC Rule 400 and those 18 or older must complete U.S. Center for SafeSport training. All officers must be a Registered Volunteer (SafeSport trained and background screening through NCSI).

### **Mythbusters**

Busted, plausible or confirmed:

Myth # 4: The center's secretarial service includes all the league secretary's duties.

Myth #11: I can put league funds into my personal account.

Myth #62: If the treasurer is absent, a member on his/her team may handle the league funds.
