How can you help?

- Encourage your leagues and members to utilize it
 - Start of the season messaging
 - QR codes with the league supplies
 - Challenge your secretaries
- Still need to ensure everyone is a member and loading league roster into WinLABS

Bulk Processing

Bulk Processing

- Piloted last year
- The ability for a center to purchase memberships in bulk
- Very simple and easy for returning members
- Memberships import into WinLABS, just like they individually purchased on BOWL.com
- Association processes the league and roster
- Can discontinue use of the membership application

What if?

- We didn't have automatic scoring?
 - We didn't have league software?
 - We didn't build winlabs?
 - We were still oiling by hand?
-
- Technology always evolves in everything we do.
 - Being open to adoption and/or advancement.
 - Ensure bowling's future through thoughtful research, planning and delivery
